## **President's Report 2012-2013**

2012-2013 has been another successful year for our club. This success is only possible through the efforts of members and our supporters and all of the different areas of the club working together to achieve common goals.

The core function of the club is surf lifesaving. There have been patrols on Broulee Beach since September with most patrolling members completing up to 45 hours of rostered patrols. Some members have completed well above this level and many others have achieved the distinction of completing 100% of their patrol hours. The patrols have operated in an efficient and professional manner and this is a credit not only to all patrollers but also the Patrol Captains. There have been 56 rescues, 98 first aids and 302 preventions recorded this season. Over 19,000 visitors to our beach were recorded and no fatalities were recorded. The role of Club Captain is critical in this success. I thank Anthony Griffiths who has organised patrol rosters, entered relevant information onto Surfguard and generally sorted any problems that have arisen throughout the season.

The club has continued to be part of Surf Life Saving NSW emergency response system. The team has responded to 35 after hour callouts ranging from a kite surfer with a broken leg on North Broulee Beach to a car driving into the Moruya River. We congratulate this team as they show much dedication and professional skill in carrying out their role.

The club has had a break through with council in gaining an emergency access track from Bayside St through to North Broulee Beach. This will reduce response time in the event of a callout to this area and this is something the club has been lobbying for a number of years. Geoff Wells has been the main driver of this campaign and deserves our thanks for his efforts.

Nippers have again had a big year. Their numbers have been maintained at 145 and have again won the FSC Dave Pheeney Junior Point Score Trophy. Congratulations to all the nippers and to age managers, trainers and coordinators. It is reassuring to see such enthusiastic and energetic nippers sessions on our beach of a Sunday morning. Nippers are our future lifesavers and the future of our club. Based on this, our club should continue to succeed for years to come. Thanks must also go to parents and those who provide water safety on a regular basis. A special mention must be made to James Langley who has completed 10 years of providing water safety to our nippers.

Broulee competitors have again achieved well in local carnivals and at State and Aussies level. The club has again retained the Jack Beale Trophy and is the FSC Branch champion club. Several of our competitors will undoubtedly pick up branch awards for their efforts this year. The boat crews have been highly successful with the u19 boys being the standout crew. They have won the Best of the Best and have achieved good results in the other events they have entered. This level of success comes through many long hours of training and through the coaching from their sweep Rob Pollock.

We can't have patrols or competitors without trainers and assessors. They put in many hours training new squads, IRB crews and also assess active members with annual proficiencies. Special thanks goes to all the team but especially to Mike Lambert, Peter Halpin, Gary Robbins and coordinator Shane Madden.

The second Hotondo Homes Bay to Breakers Ocean Swim was held in March this year. The event was again a success with over 180 swimmers competing. In the near perfect conditions many course records were broken. Many competitors gave positive feedback on the event and I am sure the swim is now well established as an annual event. This success is largely due to the organising committee led by Gary Pettigrove, the assistance given by our joint partners the Broulee & Mossy Point Community association and businesses who sponsored the event. A big thank you goes to Darren Phillips from Hotondo Homes for his generous support being our major sponsor.

Another area of success is the Sunday morning swim, both the competitive swims in summer and the sometimes freezing swims in winter. They have been well supported and they have played a role in bringing members closer together. Barb and Geoff Wells have put a great deal of effort into running these swims and deserve our thanks for doing so.

While the club has not had to deal with major upkeep issues such as last year's refurbishment of the club's deck, we have been active in planning for our future. David Butt has put together grant applications for money to commence extensions to the gear shed and has also written a business plan to help the club set and achieve future goals. Let us hope we are successful in gaining enough funds to begin these long overdue extensions. David has also been involved in ongoing discussions with council in an attempt to gain a lease over the club facilities.

To run a successful Surf Lifesaving Club takes a lot of money. While much of this comes from SLS NSW and various levels of government, we must also raise funds to be viable. Much of this money is raised through the bar and the summer bistro. This is not possible without the efforts of those who volunteer to run these activities. This year the bistro was run By Sue Lindsay and Tess Snowball and this was Sue's third year in a row. A big thank you goes to both ladies and to their band of helpers. A big thank you also goes to John Edmunds who has managed to convert out liquor licence to a full on premise licence. I would also like to acknowledge those who assisted with the door knock at Easter. We raised \$2600 in a little over two hours – a good return for our effort.

A club doesn't run itself and this is where the committee plays a vital role. All members have contributed their time, wisdom and knowledge in making good decisions not only in the day to day running of the club but also in setting the course for the future. Special thanks goes to the Executive of Wendy Law (Secretary), Lynda McKay (Treasurer), Geoff Wells (Vice-President), Anthony Griffiths (Club Captain) and Mike Lambert (Training Officer).

We have a good club. It is professional and functions efficiently. We are fortunate that all areas within the club work together as a team to achieve our common goals. Not only do we deliver quality service to the community but we do it in a way that is social and fun. Club members support each other and this is the main reason the club continues to grow and

build on its strengths. I thank you all for your support this year and look forward to the club having another successful year in 2013-2014.

Allan Veness  
President BSSLSC.

and PWC Transparency Awards

### **Club Captain's Report**

Our club continues to provide an outstanding service on the beach, with yet another record year of patrol hours at 4,600 for the season.

Top patrollers were

<u>Leading Female Patrol Members</u>		<u>Leading Male Patrol Members</u>	
<i>Name</i>	<i>Hours</i>	<i>Name</i>	<i>Hours</i>
1 Narelle Pollock	69	1 Andrew Edmunds	151.8
2 Gabriel Smith	48.8	2 Anthony Griffiths	150.3
3 Emma Grayson	45	3 Darren Browning	80
4 Sue Lindsay	44.8	4 Peter Haselden	71.5
5 Karen Senior	43	5 Garry Griffiths	65.8
6 Louisa Bonner	42.5	6 Sean Brogan	64
7 Kirsty Campbell	42	7 Jack Phillips	63.3
8 Simone Elliott	42	8 John Edmunds	57.5
9 Samantha Law	40	9 Scott Elliott	57
10 Cherise Walker	38.5		

The season was a quiet one with again weather reducing numbers; however we were still busy with 299 preventative actions.

First aids were predominately around Marine stingers with 70 actions recorded.

As per my report last year the club is in serious need for members to extend and enhance their skill set by obtaining higher level awards, with severe shortages in all area above bronze medallion, including IRB, ARTC, and Basic beach Management.

I would encourage all to take advantage of courses being run over the off season

Anthony Griffiths  
Club Captain

## **Training Report**

The 2012 / 2013 was another busy season with members gaining a variety of awards. These included Bronze Medallion (Certificate 11), Beach Management, IRB Drivers and Crewman, Surf Rescue Certificates and updates to ARTC. Congratulations to all these members.

The club is very fortunate to have a group of dedicated trainers and assessors and thanks must go to Peter Halpin, Gary Pettigrove, Gary Robbins, Mark McLeay, Al Veness and Diego Carrasco for giving up their time during the season.

During the season we had 46 separate senior proficiencies as well as 32 separate nipper proficiencies run.

Thank you also to Melinda Brogan for her assistance with the instruction of the first aid components of various courses.

Shane Madden was also very busy throughout the season coordinating the different courses and ensuring that members were kept informed about upcoming courses. Thank you.

Finally thanks to Gordon and Wendy for all their help in entering the data for the various courses.

Mick Lambert

## **Boat Captain's Annual Report 2012/13**

The Broulee boat section completed a very successful year and had some outstanding results and with a little more luck on our side from Huey, the year was close to being "Very Grand" with the opportunities just missed for more World and Aussie medals. The Under 19 crew is congratulated for winning a silver medal at the World Championships in 2012.

The Broulee club were represented by the following crews:

Crews	
Under 19's "Dim Sims"	Rob Pollock (Sweep) Jack Dunn                      Haydon Connor Ewan Pollock                      Jeff Gamble
Open Women Canberra 'Capitals'	Gary Pettigrove (Sweep) Annie McAppion      Pip Butt Nicole Cobb              Vikki Fischer Kat Oates              Teresa Comacchio Mel Fitzgerald
Open Women Coasties "Sweet and Sour"	Rob Pollock (Sweep) Amy Morgan              Michelle Cottington, Louisa Bonner              Kimberli Eke
Masters Womens Bats	Rob Pollock (sweep) Sue Dale                      Narelle Pollock Kerryl Davies                      Gabi Smith Kelley Martin

### Crew Achievements

#### U19 Broulee Surfboat crew

*Crew results for the season were;*

- World Titles Silver medalists
- Mollymook ARSL finalist and 4<sup>th</sup> place.
- Tasmania ASRL Open Boat Clifton Beach 1<sup>st</sup>
- Tasmania ASRL Young Guns U19's 2<sup>nd</sup>
- NSW Country Championships 1st U19's

- NSW Country Championships 1<sup>st</sup> Reserve Boat [*Backed up the race after U19's with no rest to win the Reserve Boat*]
- International Young Guns Collaroy
- Ocean Thunder U23's 1<sup>st</sup> [*U19's racing was cancelled. The officials gave Broulee a wildcard into the U23 division which they gladly accepted in BIG surf. Racing for the day was cancelled some 4 races later after Broulee won the U23's*]
- NSW ASRL Championships Manly Finalist 4th
- NSW Championship Finalist 6<sup>th</sup> place
- NSW Best of Best Maroubra Equal 1<sup>st</sup> place
- Australian Championships Semi finalist

Broulee U19 crew "Dim Sims" finished their season with a respectable but heart wrenching top 7 at the Australian championships at Nth Kirra beach Queensland.

Broulee Dim Sims made every final they went in all season but missed out on the final through bad luck in the Aussies. They even qualified by getting third in the semi-final but were disqualified after hitting eventual winners Bulli.

The crew travelled to South West Rocks crews on Saturday and won two Gold Medals in the NSW Country Championships U19 Division and the Reserve Grade Surfboat races.

The crew of Jack Dunn, Ewen Pollock, Hayden Connor and Jeff Gamble with sweep Rob Pollock will all again compete next year in U19's and are determined to further improve on these results.

The Under 19 crew would like to thank Gus Macdonald, Darren Reidy and Stephen Blewett, Open Women (Local, Canberra) and the Reserve crew for all their help and inspiration assistance during the season.

### **Reserve Crew**

Broulee had three crews (Reserves, U19s and Open Women) contest the NSW ASRL Open at Manly on the weekend with good results.

Surf was a reasonable flat on Saturday despite the 20 knot southerly breeze. Our Reserve crew the "doggy bags" raced for the first time and rowed well considering their limited preparation. They miss the finals cut off by one point. Crew members were Tom Hilyear, Roy Booker, David Fleming and Brad Dunkley will look forward to ASRL open in Stockton.

### **Open Women S&S**

Open Women's crew was Amy Morgan, Michelle Cottington, Louisa Bonner and Kimberli Eke can be well satisfied that they have good boat speed at Manly and better luck eluded them at most events. Girls had a very disruptive season and missed many carnivals along the way. It was a very disappointing season for them in which they showed great speed at times but suffered many agonising bad starts or DQ'd.

### **Under 23 Women**

At Manly the Under 23 Women crew of Claudia Ferguson, Jacqui Bill, Alisha Meek and Kate Chesshire couldn't row because of an injury to Claudia Ferguson's back. They raced with the U19's on Fox Sports after their 4<sup>th</sup> at Young Guns event.

At the Young Guns it was evident that the U23 Broulee were force to be respected after an average start the crew rowed down the Sydney Champion crew Elouera to finish on the same wave first race. U23 girls had a win and two second places to finish 4<sup>th</sup> in the points score and went direct to the ¼ final. The U23 Women finished 2<sup>nd</sup> in the quarter final and won the semi to set up a great final. The crew started slowly in the final and turned 3<sup>rd</sup> the crew battled hard but fatigue set in and finished to 4<sup>th</sup>. A great effort from the crew.

### **BATS**

The Masters Women competed at the World Titles in Adelaide and had a great time. They should have qualified for the Final after a 3<sup>rd</sup> and 4<sup>th</sup> place in the heats but were controversially disqualified for the sweep having his jacket covering his pink top in the first race.

Crew included Sue Dale, Narelle Pollock, Kerryl Davies, Gabi Smith ,Kelly Martin and sweep Rob Pollock

Bats are currently training for the George Bass Marathon with new rowers Sue Lindsay, Tracey Hogg, Cath Prow and experienced rowers Melissa Clarke and Donna Clarke.

### **Open Womens Capitals and Masters**

The Canberra crews included the following Gary Pettigrove (Sweep), Annie McAppion, Pip Butt, Nicole Cobb, Vikki Fischer, Kat Oates, Teresa Comacchio and Mel Fitzgerald.

The masters crew included Gary Pettigrove (sweep), Amanda Brian, Megan Bancks, Kay Eastley and Vikki Fischer

We welcomed Mel Fitzgerald into the crew for the Pambula Club to Pub race and invited Kay Eastley from the Burnie club for the World Masters. Kay works in Canberra regularly for one of the Tassie MP's.

Highlights for the season for the Canberra crews:

- Open Women's Branch Champions - two years in a row.
- Pambula Club to Pub Surfboat marathon first place

- Branch Life Saver relay first place
- Finalist (4<sup>th</sup>) at the final event of the SCBS at Warillia
- Stockton 4<sup>th</sup> Round – mid season PB in large surf
- World Titles Quarter finalist (13<sup>th</sup>) and Masters over 160 finalist, just missed a medal by finishing 4<sup>th</sup>
- Rooster River surf boat marathon 2<sup>nd</sup> place
- Their first Australian and World Championship experience

As Boat Captain I would like to thank the members and sponsors following:

- Club Committee for their support
- Rob Pollock for the time and effort he puts in for his 5 crews and the boat section.
- Cade Brown for his constructive thoughts, inspiration and getting the crew into the right frame of mind to perform a PB.
- Dave Butt for his leadership, mentorship and support in getting the crew into the right technique and racing mode.
- Bernie for towing the boat to the Aussies.
- Pip Butt for her organisational skills and group leadership
- The families and partners of us all that permitted us to train, race, travel and laugh.
- Brian Evans and the Dataflex company for their support and interest in the crew
- Eurobodalla Toyota and Moruya HiFi for their continued sponsorship and support
- Original club member Gus McDonald who is retired from work and enjoying the back end of a surfboat again, did plenty with the Reserves U19's and BATS and fixing a few boats.
- Darren Reidy for helping the Open Women.
- Tony Dale training the Bats and keeping them quiet at training.

Gary Pettigrove  
Boat Captain

## **Broulee Nippers Annual Report 2012 / 2013**

### **U7/8's**

This year we had about 12 registered kids, with a consistent group of about 8 –9 kids a week. All grew in confidence throughout the season .

We had mixed results at the carnivals, but I think I have more board paddles and swimmers.

Hope to see them all back next year for some more fun in the sun.

Peter Lenahan

### **U9's**

The Broulee Under 9's had a stellar year in 2012/2013.

We had 22 registered and regularly had 15 or 16 along on a Sunday morning. The kids jumped ahead in leaps and bounds with their surf skills. At the start of the season most were comfortable with waist deep wades but got very nervous about going any further. In the first carnival at Bermagui only two of the Nippers completed the swim. By the end of the season, all of the Nippers had successfully swum out and around cans in training on a Sunday and 10 completed swims during the Broulee and Pambula carnivals. Similarly, they have all become "board demons" and have had a lot of fun out in the surf on Nippers boards.

We also had competition success with five of the Nippers were branch champions for Individual events as well as a couple of medals in team events too. All up, Broulee Under 9s took out half of the branch medals available. Having a regular 10 or 12 along at carnivals made the Broulee Under 9s out to be a visible force to be reckoned with.

Highlights of the three carnivals:

- Rhys dominating the sprint and flags events in all the Carnivals
- Harry and Callum during their epic win in the U9/10 Board rescue event in Pambula – beating teams well over a year older than them!
- Anna winning the Board events and taking the Branch Medal for Board
- Hannah taking out the first Wade at the Broulee Carnival and winning the Branch Medal for Wade
- Harry's consistency to win the Board Branch Medal
- Callum's performance in the swim allowing him to take out the Surf branch medal
- All of our Nippers completing their first Carnival swims during the season.

That is a long way for an Under 9 to swim in the surf - well done guys!

A lot of fun was had along the way. You only had to look at the expressions on their faces after completing an event at a carnival or an exhilarating wave ride on a board. They have been a great team and also forged some good friendships along the way. They were an absolute pleasure to look after this season.

Look forward to seeing everyone back next as Under 10s!

Scott Elliott and David Hosking

### U10's

The under 10's for the 2012/2013 have been superb, and have conquered every challenge that I have asked of them. The majority of the kids achieved their goals that they set at the start of the season and have done so with flying colours. Firstly, I would like to thank all the parents and kids for their ongoing support, throughout the season as at times it was quite difficult to manage Nippers as well as my HSC studies. Thanks also, to Amanda Smith and Kirsty Campbell who stepped in when I was away, the reports were great from the kids. Highlights from the year, would be the Broulee Junior Carnival it was great to see the kids enjoying the sport that I have enjoyed for so many years. Outstanding results from both the boys and girls this year, I hope we can build on the foundations that we put in place next year. I encourage all parents to bring their children down to the beach next year, it will be another fun year with many laughs as well.

Till next season

Jack Phillips.

### U11's

The under 11s had a fun year and participated in all Carnivals winning and placing in many events. All U11 nippers attempted various water events and placed well. We are all looking forward to building their board skills next season.

Tim McDonald

### U12's

The under 12's had a great year, we learnt a lot about bigger swell, more about our DRSABC on our progression to our SRC as well as more swimming, boarding and running skills. Most weeks we were blessed with great conditions at Broulee and therefore had a good turnout week in/out.

Carnival attendance was fantastic with more kids at each carnival. The under 12's would like to thank the club and members for their support and look forward to a bigger 2014.

Thank you

Jamie Griffiths

### U13's

What a great season we all had this year! Great young people, great learning and great fun!

We also had great luck - Kel Pearce (ex-Coogee) joined our team as co-Age Manager and willingly shared all of his experience, knowledge and skill with us. This helped to make the learning technically stronger and also allowed us to give

individual attention to kids who were still getting to grips with some skill elements of surf life saving.

Most of the team were familiar faces returning for another year of fun and learning. Bianca left us at Christmas and Maryelle joined us - coming in with little experience but a huge heart! Some of the group turned up every week and some made guest appearances which gave lots of variety to the group and kept Kel and I on our toes.

The season kicked off with Scott, Libby and Ellen competing well at Interbranch - it's a valuable experience to see what level the other clubs are performing at, to improve their own competitiveness and to hear about the relentless training schedules some of the other competitors undergo!

On the beach in Broulee the U13's have a number of confident 'the bigger the waves the better' individuals in the team, but there are many in the group for whom it is still all about getting over fears and barriers - getting out on a board with confidence or swimming around the cans on a rough day can still be daunting. We focused on achieving these goals and all of the kids should be proud of what they achieved.

This year saw the theory side of Nippers take a bigger role and we were pleased to see everyone embrace the new skills. Three of the group completed their SRC and Jack, Lindsay and Ellen have now joined patrols and are reveling in their new responsibilities. I look forward the rest of the team getting through next year.

On the competition side we had a strong turn out to every carnival. It really is great to see so many kids getting into the water and giving their best for themselves and their team. We have some hot rivalry within the group and also with other clubs. Keep improving kids - there's plenty to fight for next year too!

Many thanks go to all of the parents who took the kids to carnivals. It is here that they really get to cement the skills they learn on Sundays, plus it brings the team closer together and it's always a lot of fun - especially this year as the weather was fantastic every time!

Finally, thanks to the Nippers. You are a great team to manage. It was my first year with you and I certainly had loads of fun... I hope you did too. Next season is your final year as juniors so come back ready to work hard and become great lifesavers.

See you again in October!

Sue Lindsay & Kel Pearce

### U14's

Congratulations to all of the U'14's this season with a group of 22 finishing their Surf Rescue Certificates and starting rostered beach patrols over the summer, many of whom started with Broulee as 6 year old Nippers.

This season had the group transition onto senior race boards and getting to learn about the operation and safety of the spec skis, rhino, IRB and jet ski.

Over the years this group has never lost its overall branch point score in their respective age group and have helped the club to 5 overall Branch Championships – picking up over 50 individual Branch Medals along the way!

I'd like to personally thank all of them for the many years we have been together and look forward to watching their progress into the senior divisions along with completing their Bronze Medallions and beyond.

Darren Browning

### Water Safety

Once again it was an absolute pleasure to be in charge of water safety this season, from all my regular and new volunteers it was fantastic to see all age groups improving more and more every year. Congratulations to all new BRONZE and SRC members. Hope to see you all in orange shirts next season and the tiny nippers growing in confidence and relying on our experience and safety makes it all worthwhile. Thanks to all VOLUNTEERS, and PARENTS for their trust and especially the AGE MANAGERS and NIPPERS.

See you all next season

Garry Griffiths.

## **Secretary's Report 2012 – 2013**

This past season has been very satisfying as a Club secretary because we have had many new parents and members put their hand up to take on new jobs during the year. This always makes the load easier for all of us to bear.

On the technology front, we have added online Club bookings and a donation link to our Club website. It would be great to see the majority of members renewing next season using our online system as the workload is considerably less this way.

The Club Facebook page is filling up with photos of Club activities and ably managed by Sam Law.

In addition to the items listed in the Club Captain's Report, some detail of further interest are:

### **Broulee Key callout and Jet ski personnel include:**

Gary Robbins (14.5 callout hours this season)

Anthony Griffiths (166.5 patrols hours, jet ski and callouts this season)

Geoff Wells (66 hours on callouts and patrols this season)

Darren Browning (83.25 hours on patrols, callouts and jet ski this season)

Diego Carrasco (51.5 hours on patrols, callouts and jet ski this season)

Peter McKay (40 patrol hours on patrols, callouts and jet ski this season)

Peter Halkett (33 hours on jet ski, callouts and normal patrols)

Peter Halpin (2.75 hours on callouts)

Steve Ziegler (44.5 hours on patrols and callouts this season)

Andrew Edmunds (163 patrols hours this season on callouts and patrols this season)

Thank you to these dedicated members who go above and beyond their normal patrols.

Our membership currently stands at 392 with a membership retention rate (since 2010) of 119.88% which is fantastic.

Thank you to all our members and those in the local Community who have shared in our successes this season.

Wendy Law  
Secretary

## **Surf Sports Report 2012 /2013**

2012/2013 was a great competitive season with Broulee member's competing at all levels of competition including the:

Coolangatta Gold

Sydney Water Series

NSW Interbranch Carnival

Local Carnivals

NSW Country championships  
NSW State Championships  
Australian Championships

October saw another early start to the season with three of our members competing in the Coolangatta Gold. Darren Browning, Dave Fleming and Simone Elliott competed in near perfect conditions all doing well. Darren and Dave improved on their previous time by over an hour, with Simone competing for the first time.

November saw the Far South Coast Interbranch team head to the Central Coast to represent our Branch. A number of our members were selected including; Harry Phillips, Craig and Scott Senior, Regina and Peter Griffiths, Emily Byrne, Libby Doughty, Ellen Hosking, Abbi Dunn, Abbey McDonald, Jayde Woolridge, Jacob Carrasco, Madeline Grayson, and Cate Marques. A great weekend away was had by all, with competitors improving on last year's results and representing the Branch well. Thank you to Dave and Wendy Law for organising the team and Garry and Bernese Griffiths, and Karen Senior for assisting on the weekend away.

The Country Championships were held in January at South West Rocks in favourable conditions. Four of our patrolling members being Billy Hughes-Tweedie, Perry Wignall, Annie Phillips and Ben McKay participated, all doing well against stiff competition. The same four then went to the NSW State Championships at Umina on the Central Coast. Flat conditions prevailed making fitness count. Billy won a Bronze medal in the ski relay and all performed well against the state's best competitors

Batemans Bay held the first of the local carnivals with a great turn out of competitors from Broulee including many new faces competing for Broulee for the first time. Conditions were quite nasty with a large shore break. All competitors did very well with Broulee winning the carnival.

Broulee held the second carnival which was held in postcard conditions. Again we had a big turn out with more new faces. The whole of the Broulee SLSC should be thanked and very proud of their efforts it was a great carnival. Again, Broulee was successful in winning the point score.

The 3<sup>rd</sup> and final local carnival was the Branch Championship carnival held at Pambula. This was yet another great day of competition with all competitors having a good time. Many competitors went outside of their comfort zone and competed in events which they would not have thought possible earlier in the year. We as a club regained the Jack Beale trophy for yet another year.

To finish the season off Broulee sent a team to compete at the Australian Titles held at North Keira. Four members competed in the Masters carnival being Darren Phillips, Peter 'Fuzz' McKay, Darren Browning and Scott Elliott. Huge conditions greeted them however officials ran the carnival inside the large outside break. All competed well with Darren Phillips making it through to the semi-final of the male ski and board. Fuzz competed well making it into the final of the Tube Rescue and placing 6th, a huge effort. Darren Browning also made it through to the semi-final in the male ski. Well done to all.

Also competing at Aussies were Ben McKay, Billy Hughes-Tweedie, Perry Wignall and Annie Phillips all who competed strongly making semi-finals and finals in numerous events. The standout result was Billy winning a Bronze medal in the U/19 Ski Relay. This is an amazing achievement in this prestigious event.

A big thank you should go to Darren Phillips for the many hours of training he puts into both the junior and senior competitors. To Dave and Wendy Law, thank you for your efforts in officiating and running each of the local carnivals. Last but not least a big thank you to the Broulee Surf Club and its competitor's for a fun filled season and hopefully we can see more competitors on the start line next year both young and old.

**NOTE 1 - - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the relevant Act. The committee has determined that the organisation is not a reporting entity.

The report has been prepared in accordance with the requirements of the Corporations Act 2001, and the following applicable Accounting Standards and Urgent Issues Group Consensus Views:

AASB 1002:	Events Occurring After Reporting Date
AASB 1018:	Statement of Financial Performance
AASB 1020:	Accounting for Income Tax (Tax Effect Accounting)
AASB 1025:	Application of the Reporting Entity Concept and Other Amendments
AASB 1031:	Materiality
AASB 1034:	Financial Report Presentation and Disclosures
AASB 1040:	Statement of Financial Position
UIG	Disclosure of Contingent Liabilities

**Abstract:**

No other Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

**Property, Plant & Equipment**

Each class of property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation.

**Property**

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

**Plant and equipment**

Plant and equipment are measured on the cost basis.

**Depreciation**

All assets, excluding freehold land, are depreciated on a straight line basis over their useful lives to the company.

BROULEE SURFERS SURF LIFE SAVING CLUB INC  
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

**Inventories**

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate portion of variable and fixed overhead expenses.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF BROULEE SURFERS SURF LIFE SAVING CLUB  
A. B. N. 62 456 466 445**

**Report on the Financial Report**

We have audited the special purpose financial report of BROULEE SURFERS SURF LIFE SAVING CLUB INC (the association), which comprises the Balance Sheet and Profit and Loss Statement for the year ended 30 April 2013.

**Committee's Responsibility for the Financial Report**

The committee of BROULEE SURFERS SURF LIFE SAVING CLUB INC are responsible for the financial report and have determined that the accounting policies used are consistent with the financial reporting requirements of the Club's constitution and are appropriate to meet the needs of the members. . The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITOR'S REPORT**  
**TO THE MEMBERS OF BROULEE SURFERS SURF LIFE SAVING CLUB INC**  
**A. B. N. 62 456 466 445**

**Qualifications**

As is common for Clubs of this type, it is not practicable for BROULEE SURFERS SURF LIFE SAVING INC to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, our audit in relation to cash receipts was limited to amounts recorded.

**Auditors' Opinion**

In our opinion, except for the above qualification the special purpose financial report of BROULEE SURFERS SURF LIFE SAVING CLUB INC presents true and fairly, in all material respects the financial position of BROULEE SURFERS SURF LIFE SAVING CLUB INC as of 30 April 2013 and of its financial performance for the year then ended in accordance with the accounting policies, and the Associations Incorporation Act .
