**Celebrating 35 Years of Surf Life Saving in Broulee**

# **Agenda**

## **35<sup>th</sup> Annual General Meeting**

**The 35<sup>th</sup> Annual General Meeting of Broulee Surfers Surf Life Saving Club will be held in the Club House on Saturday the 19<sup>th</sup> July commencing at 5.00 pm.**

- 1. Welcome to members and guests**
- 2. Apologies**
- 3. Confirmation of the minutes of the 34<sup>th</sup> Annual General Meeting**
- 4. Business arising from the minutes**
- 5. Presentation of the Presidents Annual report and balance sheet as per the Annual Financial Report**
- 6. Business arising**
- 7. Election of officers for the 2014 – 2015 season.**
- 8. Confirmation of Auditors for the coming season.**
- 9. "That Broulee SSLSC seeks affiliation for the 2014 – 2015 season with The Far South Coast Branch of Surf Life Saving NSW, SLSNSW and SLSA. Further, that the articles, constitution, by-laws, regulations and resolutions, together with the awards and equipment of Surf Life Saving Australia Limited and/or affiliated State/Territory centres and /or branches, be accepted without reservation."**
- 10. The election to honorary life membership of those members duly nominated by the Committee. There being none nominated for this year.**
- 11. General Business for which due notice has been given.**

**All Nominations for positions should be in the hands of the Secretary before the meeting.**

**Any questions related to the financial report should be given to the Treasurer, Lynda McKay before the meeting, so that a full and accurate answer can be provided at the AGM.**

James Langley

### **Runner up Swim Champion**

Simon Fearn and Peter Halpin

## **PRESIDENT'S REPORT BROULEE SSLSC 2013-2014**

2013-2014 has been another very good year for Broulee SSLSC. The strength of our club comes from the dedication, hard work and cooperation from all our members. We have all worked together to achieve our goals of providing surf lifesaving on our beach, emergency callouts, competing in surf carnivals and in building a strong united social group. This year we had a total membership of 427 which included 172 Nippers and 177 patrolling members.

Our prime focus is surf lifesaving. To this end we have patrolled our beach since early September to the end of April. Most members have completed approximately 40 hours of patrols each and 55 of our members completed 100% of their patrol obligations. Our club members carried out 29 rescues, 228 preventions and assisted 26 people with first aid. The callout crew were kept busy responding to 22 incidents.

The role of Club Captain is critical in the functioning of the club. I would like to acknowledge the great job Kirsty Campbell has done in organising patrols, entering statistics onto Surfguard and sorting all the issues that arose over the patrolling season. I must also acknowledge David & Wendy Law who assisted Kirsty in her first year in the job.

Nippers have had another big and successful year. They have retained the Dave Pheeney Junior Point Score Trophy and in doing so are the FSC Branch champions. Congratulations must go not only to the nippers but also to the Age Managers, Coaches, Water safety personnel and parents in supporting our future lifesavers. It is pleasing and reassuring to see the nippers in action each Sunday morning on our beach. The skills they exhibit in all age groups are truly impressive. Special thanks to Scott Elliott and Dave Hosking who have coordinated Nippers for this season. Gary Griffiths must also be thanked for ably coordinating water safety each week.

Broulee competitors have achieved excellent results in local carnivals, at State and at National levels. Broulee has again won the Jack Beale Trophy and is again the FSC champion club. This is the fifth year in a row we have done this. Many of our competitors will pick up branch awards for their efforts. Standout results were from the under 19s Dim Sims boat crew and their sweep Rob Pollock. They were NSW champions in their category. Pete (Fuzz) McKay won gold at state, Darren Browning made the finals at Aussies, as did Darren Phillips. The BATS and the Canberra Capitals womens crew both performed with distinction in the George Bass Marathon.

Our team of trainers and assessors must also be mentioned as they have contributed many hours in training and assessing new SRC, Bronze groups and IRB driver and crew awards. They also do the huge job of assessing all active members in their annual proficiencies. Our thanks specifically go to Mike Lambert, Peter Halpin, Gary Robbins, Gabi Smith, Kel Pearce, Gary Pettigrove, Diego Carrasco and Melinda Brogan. Without them we can't have patrols or competitors.

The following statistics show just how busy our trainers and assessors have been this year.

**Proficiencies:**

131 Bronze Medallion

500 Total proficiencies (including nippers)

**New Awards:**

122 Nippers

100 other awards including:

32 Bronze

14 SRC

13 Age Managers

4 Coach Level 1

1 Coach Level 2

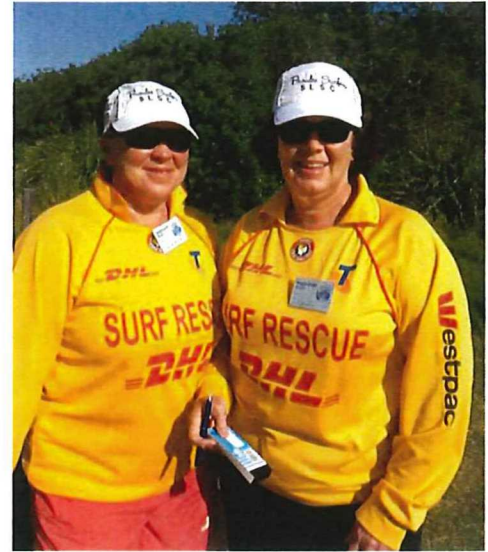

3 Official Level 1

4 Training officers

6 New Silver Medallion Aquatic Rescue Certificate

11 IRB Crew

2 IRB Drivers

A big success for the club has been the Sunday morning swims. We have had some competitive swims in the Summer and also some freezing swims in Winter. Some swims have seen up to 38 people participating. While this has helped many of us keep fit, it has also helped build a strong social group. I would like to thank Barb and Geoff Wells, Marilyn and Pete Halpin for organising the Summer competition.

The Hotondo Homes Bay to Breakers Ocean Swim was another successful event for the club and our partners; The Broulee and Mossy Point Community Association. There were 271 swimmers this year, who swam in near perfect conditions with several race records again being broken. This represented an increase in swimmers competing of 100 over last year's event. Thanks to the organising committee and especially Gary Pettigrove who did a mountain of work as the committee chairperson. Thanks to Darren Phillips from Hotondo Homes for again sponsoring the event.

Running a Surf Club takes a lot of money. While some funds come from SLSNSW and the local council, most of our funds come from the local community and our own members. The summer bistros and bar on Friday nights contribute to this. Our thanks goes to the bar staff, to Cindy for coordinating the Bistro and also to the volunteers who helped with the bistro. I would also like to acknowledge all those who helped with our door knock appeal in January. This raised over \$4000 in a few hours. In addition, I would like to publicly thank our major sponsor The Tomakin Sports and Social Club who have again supported us to the sum of \$5000. We also gained a grant of \$3000 from Clubs NSW arranged by Graham Wise from the Tomakin Club. IGA Supermarket Tomakin also assisted us with a donation of \$2500. Surf the Bay supported us with a donation of \$5000 which was half the proceeds from their Guinness Book world record attempt. We also had ongoing support from Eurobodalla Toyota and Moruya Hi Fi and Electrical.

We are fortunate in our Club to have a highly competent and hard working club committee. They have given many hours of their time, knowledge, wisdom and skill in decision making. They sorted the day to day issues that have arisen and have also set a course for the club in the future. These hard working people are Wendy Law (Secretary), Kirsty Campbell (Club Captain), Lynda McKay (Treasurer), Geoff Wells (Vice President), Mike Lambert (Training Officer), Gordon Harris, Darren Browning, Peter Halkett, Scott Elliott, John Edmunds, Tim McDonald, Melinda Brogan, Pete McKay, and Gary Pettigrove (with assistance from Darren Reidy and Gus McDonald)

Broulee continues to be a strong club. Our members are professional in their lifesaving duties and we all work together for the common good of the club. Members support each other and enjoy spending time together with club activities. I thank you all for your support of our club and look forward to another successful year in 2014-2015.

Allan Veness

President Broulee SSLSC

## **MAJOR CLUB SPONSORS**

As a registered charity, our Club purpose is

- To provide a safe aquatic environment by protecting and ensuring the safety of swimmers and the general public.
- To educate the community on water safety.
- To encourage participation in physical and recreational activities.

All donations are greatly appreciated and help to keep the Club running.

Where possible, members should support the following sponsors who support our Club. Their contact details are all listed on our Club website.

**Tomakin Sports and Social Club**

**ClubsNSW**

**Eurobodalla Shire Council**

**SLS NSW**

**Eurobodalla Toyota**

**Moruya Hi fi and Electrical**

**IGA Supermarket Tomakin**

**Bay and Coast Metal Roofing**

**K & M Spraytech**

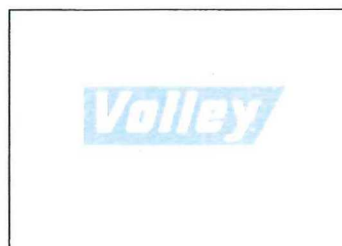

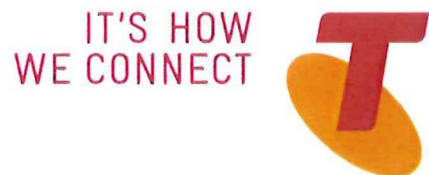

**Surf the Bay**

**GBG Plastering**

**Outer Reef Gas Distributors**

In addition we have State and National sponsors to acknowledge as follows:

Surf Life Saving NSW, SLSA, Surf Life Saving Foundation, Bonds, DHL, Dulux, Stramit Building products, BRP, Clubs NSW, Telstra, NSW Government's Ministry for Police and Emergency Services, NSW Department of Primary Industries, and Volley

**NEW SOUTH  
WALES**

Supported by the

## **CLUB CAPTAINS REPORT 2013/2014**

Firstly I would like to thank everyone for their support this season. It has been a huge learning experience for me.

It has been a very busy season with 4425.25 recorded rostered patrol hours, and an amazing 55 100% Patrollers.

There have been no major rescues on our beach this season, and 241 preventions, 3 searches for lost persons and the shark alarm has been sounded once.

Below are the top 10 Male and Female patrollers of the year by patrol hours

<b>Leading Female Patrol Members</b>		<b>Leading Male Patrol Members</b>	
<i>Name</i>	<i>Hours</i>	<i>Name</i>	<i>Hours</i>
1. Gabriel Smith	72.8	1. Jack Phillips	120.5
2. Vicki Haselden	60.8	2. Andrew Edmunds	88.5
3. Amanda Smith	58.0	3. Peter McKay	78.0
4. Kirsty Campbell	56.0	4. John Granich	77.3
5. Cherise Walker	56.0	5. Garry Griffiths	68.0
6. Lynda McKay	52.5	6. Andrew Mizzi	65.5
7. Kerry Evans	45.0	7. Geoff Wells	65.0
8. Vikki Fischer	43.8	8. Peter Haselden	64.5
9. Suzanne Dale	43.5	9. Jamie Griffiths	60.0
10. Alisha Meek	41.8	10. Kel Pearce	59.0

There have been several courses run this season to update and improve our member skill levels. There has been a slight decrease in Bronze holders 132 compared to 158 in 2012. I would like to see Broulee have 10 patrols next season and with an increase in awards such as IRB driver and Beach management I believe it is possible.

This season we tried to arrange patrols with competitors around carnival dates This proved to be mostly successful, apart from some patrols having to do back to back patrols in the early season. Also with the large number of boat rowers on patrol 5 and 6 whole day patrols have been a good way for them to acquire their required competition hours.

A huge Thank you needs to go out to our RWC drivers. We had 6 operators from Broulee who fulfilled the FSC required hours.

Darren Browning, Diego Carrasco, Simon Fearn, Peter Halkett, Peter McKay & Gabi Smith all completed a combined 169 hours additionally on top of their normal rostered patrols. This included roster patrols as required to meet the FSC Lifesaving agreement and coverage for Water Safety at the Junior and Senior carnivals at Moruya and Narooma.

To all Broulee members who have supported the Club this season; whether you are washing boards at the end of nippers, cooking the BBQ, patrolling or on the Committee your involvement and commitment is why we have the wonderful Club we have today!

I look forward to next season

Kirsty Campbell  
Club Captain

## **TRAINING REPORT**

The 2013 / 2014 was another busy season with members gaining a variety of awards. These included Bronze Medallion (Certificate II), IRB Drivers and Crewman and Surf Rescue. A number of our members also gained their qualifications to allow them to join the call out team. Congratulations to all these members.

The club is very fortunate to have a group of dedicated trainers and assessors and thanks must go to Peter Halpin, Gary Pettigrove, Gary Robbins, Al Veness and Diego Carrasco for giving up their time during the season.

Thanks also to Kel Pearce who finalised his training and assessing qualifications and who assisted with the bronze groups and put a lot of time into nippers. Similarly, Gabi Smith also finalised her qualifications and was a wonderful help with some of the bronze groups as well as the juniors. Gabi has a long association with surf lifesaving and her ongoing involvement will prove invaluable.

A number of our members have also nominated to do different courses during the winter. These include Beach Management, First Aid and the Trainers and Assessors Course.

Thank you also to Melinda Brogan for her assistance with the instruction of the First Aid components of various courses.

Shane Madden, when able, was also a great assistance in helping to organise courses and stay in contact with members. Thank you.

Finally thanks to Gordon and Wendy for all their help in entering the data for the various courses and requalifying. Their hard work made things a lot easier for the trainers and assessors.

Mick Lambert

## **BOAT SECTION ANNUAL REPORT**

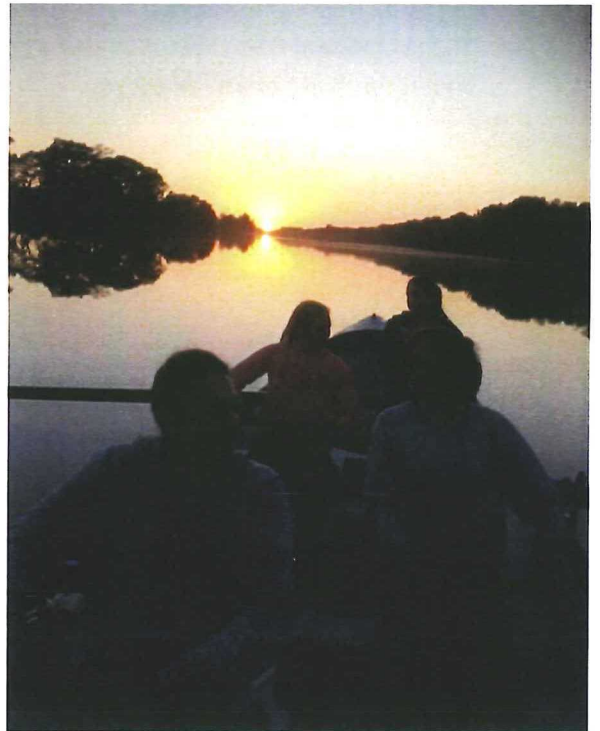

### **A Golden Summer for Surf Boats**

This season broke all records for Broulee's Surf Boats. Our results were outstanding with the following highlights:

- Alisha Meek our under 23 female rower won Gold at the Australian Championships
- State Champions and Gold for the Under 19 crew
- NSW Representative crew (Under 19) and won their division and the Interstate Series and more Golds
- International Young Guns Champions Under 19 more Gold
- Undefeated in the South Coast Boat series for Under 19s
- Open Men and Women's Far South Coast Surf Boat Champions (Gold Polar Bears)
- Rooster River Surf Boat Marathon Race Gold with Open Women (Capitals)
- Open (Capitals) and Masters (BATS) Women both win Silver at the George Bass Surf Boat Marathon
- Country Championships Reserve Crew Gold Medal and Open Women (Capitals) Silver
- Under 23 Women finished second in the South Coast boat series
- Dedicated team of support members who worked tirelessly for the boat section and deserve Gold.

I thank our major sponsors for this season:

**DATAFLEX  
EUROBODALLA TOYOTA  
MORUYA HI FI &  
ELECTRICAL  
ELGAS  
GUS MACDONALD**

The following is a focus report on each crew

#### **BROULEE U23 Women "Sum Ting Wong"**

Broulee has its first female Australian Surf Boat Champion when Alisha Meek who rowed all season with Broulee under 23 crew was seconded and did a last minute competitive transfer to Austinmer Under 23 girls and this combined crew took out the Australian Under 23 Women's surfboat championship.

Her crew mates in the "Sum Ting Wong" crew trained hard all season and it proved great preparation for Alicia to her get ready and fill in seamlessly for the Austinmer Club. Austinmer lost a rower a couple of weeks before the Aussies. She was making her Sydney Swifts Netball debut and did her knee three minutes into the game. Alisha did not row with the Austinmer crew until the Championships in Perth and they went on to win every race and take out the Australian Title.

This Under 23 women's crew, the "Sum Ting Wong" had a great start to the year and highlighted by a 2<sup>nd</sup> place at North Cronulla Carnival, a major Sydney carnival.

At the Young Guns in Robe South Australia they also finished 2<sup>nd</sup>. They won the point score at Port Kembla South Coast in big surf and finishing second in the overall in the under 23 women's section of South Coast Boat Series. The crew had a great first season and if they are still around next year they will be a stronger crew next year.

Crew members were Alisha Meek, Grace Brooks, Hannah Cadogan, Tara Masterson and Sweep/Coach Rob Pollock.

### **BROULEE Under 19 Crew "Dim Sims"**

The Under 19 "Dim Sims" won their first NSW Title, reigning supreme in the billiard table flat surf at Umina.

This crew had a remarkable year making every final except for the Australian Championships in Perth where some unfortunate luck came their way.

The "Dim Sims" was the standouts at most carnivals this season. They were selected as the NSW crew in the ASRL Interstate series in Newcastle and did themselves, Broulee and their State proud when they won their under 19 division race in a dramatic race pipping WA for the win. The "Dim Sims" also did their part in helping NSW winning the surfboat relay and clinching the Australian Interstate Title ahead of WA and QLD.

They were the International Young Guns Champions at competitions at Collaroy and Robe South Australia.

They were undefeated in the four South Coast Boat Series carnivals and are South Coast Champions. They were winners at the Sydney Major Carnival at North Cronulla. They also won the FSC Branch Open Male Surf Boat Championship.

The Crew members were Jack Dunn, Ewen Pollock, Hayden Connor, Jeff Gamble and Sweep/Coach Rob Pollock. Robbie Hogg also rowed early in the year and helped until Hayden Connor was able to recover from a knee operation.

Special mention to Craig Shepherd and Matt Stevens who helped put some fitness work into both the Under 19 and under 23 crews.

### **BROULEE Open Women "Capitals"**

A squad of 14 delightful, and dedicated open ladies who put their hearts and minds into surfboat rowing in Canberra and provided a depth of rowers that allowed the swapping of rowers at any stage and they still perform at the highest level.

The Capitals focused mostly on the Surfboat Marathons this season and performed successfully.

The season's results included:

- The two Capital's crews finished 1<sup>st</sup> (Gold) and 6<sup>th</sup> in the 14km Rooster River Marathon in September
- The two crews combined to win Silver in the 180km George Bass marathon - Silver Medals
- The NSW Country Championships saw Silver medals in the Open Women's section final after they won every lead up race
- Gold Polar Bears won the Far South Coast Open Branch Open Women's Surfboat Champions for the third year in a row

The squad consisted of the following rowers:

Pip Butt	Lauren Hill	Lauren Heys	Vikki Fischer
Kat Oates	Elice Stanley	Nikki Ayres	Annie McAppion
Teresa Comacchio	Kat Waterhouse	Candice Day	Claire Forbes
Nicky Cobb	Harriett Walker	Swept/Coached by Gary Pettigrove	

A special thanks to John Granich for his sweeping and coaching for the crews. John is new to Surfboats and sweeping and picked it up quickly to allow me to have two boats racing up and down the lake all winter.

### **The Capital's Bass Journey**

Our Bass journey started with 13 ladies in the cold Canberra Winter mornings in July 2013. The ladies showed commitment and resilience by turning up around 5:30am up to 5 mornings per week in temperatures well below zero.

Six of the ladies had done a Bass before but seven new members and novice rowers were recruited to make a squad that the best 10 could be selected from and ensure we were competitive. Our goal was to be at least one km/hr faster for this Bass compared to the 2012 Bass so we planned to finish

with the leaders. We all put in additional training on cross-fit, running, cycling, pilates sessions and gym programs to ensure we were ready.

This race the 18<sup>th</sup> George Bass was described by the organisers as having the worst conditions in 40 years. Three legs had their courses changed due to rough seas, gale force winds, 4m waves and two race days had very strong gale force winds and very rough conditions. Sadly very different conditions to rowing on the lake in Canberra. In my 5 previous Bass' races I have had only one day like any of these for this Bass. These conditions were a huge test for the girls and BATS rowing technique, resilience, fitness and endurance.

The highlight leading up to the Bass was the planning stage where the logistics and support organisers Claire Forbes, Kat Oates, Kat Waterhouse and Pip Butt had us rostered, organised and prepared. "Fuzz" Peter McKay met us on the beach for IRB training with a big smile as usual and with John Granich for crew set to get the girls into and out of the IRB efficiently despite their needs for "special swim" times.

Overall we finished equal second on points with combined Moruya/Met Caloundra and got silver medals and second prize money. A huge effort by everyone, in and out of the crew and a great result for the Capitals.

A big thank you to the following Capital's Bass support people:

Peter "Fuzz" McKay IRB driver, John Granich Training sweep and IRB crew, Phil McAppion support coordinator, Claire Forbes food logistics, Bernie Mickelson, Kat Waterhouse and Rob Smith transport logistics, Kat Oates and Matt Cosgrove transport, food and logistics, Graham Reed Support Boat Driver, and Dave Butt mentor, advisor and technician.

The crew now have a special relationship after doing the Bass and 6 months of training. A silver medal for their efforts and acknowledgement that they completed the toughest George Bass Surf Boat Marathon ever.

## **The Broulee BATS in the Bass**

Broulee's Veteran women's crew – The BATS, exceeded all expectations in the 2014 George Bass Marathon to place a very creditable second place in their division.

The crew – Melisa Clarke, Sue Lindsay, Tracy Hogg, Cath Prow, Narelle Pollock, Sue Dale, Gab Smith, Donna Clarke and Kerryl Davie, with sweep Darren Reidy, made a great combination of experience and raw beginners - but all the girls had a hell of a lot of determination.

In the interest of the team's health and safety, Darren Reidy made a vital call on the first day not to race in such wild and rough conditions; it was a decision that proved to positively affect the team for the rest of the week.

Overall the BATS were silver medallists, a fantastic effort by a crew of ladies whose ages range from 41 to 57, a mixture of experience and athleticism and whose main goal was to complete the race unscathed! Of course we trained but unless there was coffee to be had at the end of each session, then that's all that mattered!!

This was Darren Reidy's first Bass as a sweep. The BATS would sincerely like to thank Darren for firstly taking us on, but also for getting us prepared for this great race. Darren's calm manner and lame jokes helped us throughout many training sessions.

The BATS would like to thank their support crew because without these people we couldn't do what we did – Phil Boneham - support boat driver & head cheer leader - Phil got us over the line and encouraged us to our wins as well as looking after us fantastically well in the boat; Sandra Boneham - organising our food & drinks on the beach; Andrew Edmunds – champion duckie -he really encouraged us and looked after the old ladies the whole week; Tony Xureb - duck crewman and go pro man; Andrew Mizzi – duck crewman and soft landing for the old girls!; Pete Halkett – duck crewman; Ryan Pollock – boat transporter; Edwin Ingram – transporter; Rob Pollock - casual sweep, champion supporter and "Master of Craft" for making BATS hats!; Tony Dale – casual sweep and trainer for the BATS and anything we needed to know to do with SLSA; Gus MacDonald – casual sweep, trainer, master oar and boat builder, and No1 supporter for the BATS.

The BATS would also like to thank their families for putting up with us missing throughout the year during our training and for supporting us during the Bass.

## **Reserves Crew**

Darren also trained and swept a Reserve crew lead by Craig Shepheard, Nathan Eke, Matt Stevens and Matt Crampin. They trained up until the NSW Country Titles at Mollymook where they won Gold in the Reserve Boat division and then they all retired.

## **Special Thanks**

Thanks to the following Surf Boat support people for without them we could not get the job done.

Thanks to Darren Reidy for filling in for me as acting boat captain at Broulee Committee meetings on Tuesday nights.

Rob "Polly" Pollock for a magnificent job as sweep and coach of his crews and to achieve so much Gold and glory in one season is well deserved after years of hard work and dedication to his rowers.

Rob was also awarded the Far South Coast Coach of the Year, and is therefore the Branch Nomination for this State Award this year.

Great big thanks to Gus McDonald. He joined us this year and has worked tirelessly to ensure we have the nearly the best surfboat equipment of any club in Australia. Gus has been toiling in his shed for the past 18 months and we have some fantastic surfboat equipment that has been revamped/renovated/modified and made good. He has traded boats at a profit for the club and kept the boat section in fantastic shape often at his own cost and efforts. As a result, Gus was one of only a few members nominated as Broulee's Club Person of the Year.

#### **Summary of equipment maintenance completed by Gus McDonald with thanks**

##### **Surfboats**

- Newport boat –repairs on internal plus hull
- Tathra boat - repairs on internal plus hull
- Peter Cook Boat - total refurbishment
- Wamberal Boat - keel and hull repairs
- Whale Beach boat - repair bottom and keel before 2013 Aussies and refurbish hull before 2014 Aussies
- Gordon Harris boat - total rebuild after car accident
- Cronulla boat - fix keel, re-gel coat bottom and buff, remove old signs, buff repair hull topside
- Three surfboats totally modified: Avoca – blue, Avoca – white and Whale Beach – blue. Lowering back section and putting in flat sections for each rower to step in on for starts, making sweep rowlock lower to water and fully approved by S.L.S.A. This modification will be used in Clymer boats in the future.

##### **Trailers**

Refurbish the surf boat trailers, this involved the following:

Removed and treated rust, repaint, new rollers, welding repairs, new jockey wheels, new tyres and rims, repairs to Electrical wiring and lights, stainless steel tie downs and timber oar holders/stays

##### **Oars**

32 oars were restored to near new condition:

Sanding shafts and repairing blades, sealing the oars with a protective solution (Northane) - black shafts and blue blades , fitting new rubber grips to oar handles and turning new oar handles, fitting new collars and buttons

##### **Carbon Fibre Sweep Oars**

Gus provided Croker Oars to make up two complete sweep oars from previously damaged sweep oar handles and blades.

##### **Wooden Sweep Oars**

Nine sweep oars restored to near new condition.

Our leadership and support group works very well together and we have a healthy respect for each crews' boat needs and we have cooperative expectations.

From all the surf boat competitors and social rowers in our club we say THANK YOU to the club, the committee and members for your continued support.

Gary Pettigrove

Boat Captain

## **BROULEE SSLSC NIPPERS ANNUAL REPORT**

Broulee has had an outstanding Nipper season this year. We have seen our Nippers grow in confidence and have a great time on the beach whilst at the same time learning the skills needed to be future lifesavers. We had Nippers this year compete at the Inter-branch Championships, NSW Country Titles and the Sydney Water Series as well as our local Branch Carnivals.

Our board training on Monday afternoons has grown significantly. It has been great to see the huge increase in the board skills of our Nippers. A big thank you must go out to all the Age Managers and Water Safety people that helped on a Monday afternoon. Without these people it would not be able to run. Thank you to Darren Phillips for taking on the more experienced Nippers; he has done a great job expanding their skills. Thank you to Kel Pearce for filling in whenever needed as an Age Manager, his skill and experience was greatly appreciated.

Thank you to the following people who do extraordinary amounts of work to ensure the smooth running of our Nippers each week. Our registrar, Bernice Griffiths who works hard throughout the season making sure all of our Nippers are registered. Danielle Brogan our photographer. Danielle has done a fantastic job taking photos this season of all Nippers. Our Gear Shed Packers, Tristan Bradshaw, Glenn Smith, Mick Campbell and Roy Jenkins who were there each week to wash and pack away the boards. Thank you also to Garry Griffiths for co-ordinating Nippers Water Safety each Sunday and his team for their amazing efforts in keeping our Nippers safe. Thank you to the Club committee for their support throughout the season. Finally a big thank you must go to Wendy Law for all of her hard work behind the scenes liaising with SLSNSW and ensuring we are following all the necessary guidelines. Wendy spends endless hours working on paper work associated with Nippers and both Wendy and Dave official at all of our Nipper and Senior carnivals. We appreciate their help and support.

## **Under 7/8's**

The under 7/8s had an amazing season at Nippers. The group consisted of 29 registered Nippers with approximately 23 turning up each week. The group were very vibrant, full of energy and willing to give everything a go. For many it was their first season participating in Nippers. All developed in confidence both in and out of the water and gained many new skills along the way.

We had a fantastic turn out to all of the local carnivals with the Nippers enjoying competing against other clubs and getting to know other Nippers in the area. All showed fantastic sportsmanship and tried their best in everything they went in.

Thank you to all of our parents who brought their children to Nippers each week and for their support in helping to organise the children! Thank you also to Gary Griffiths for co coordinating Water Safety and ensuring we always had plenty for our water activities. Thank you to all of those who helped with Water Safety and made it possible for us to get into the water.

Finally, thank you to all of the Nippers. They are a great group and made managing them a lot of fun. We hope to see them all again next season.

Neil Dolphin and Simone Elliott

## **Under 9's**

The Under 9's had a tremendous season growing in confidence and ability in all aspects of Nippers. The group showed enthusiasm and commitment each week making them a pleasure to manage. The Under 9's enjoyed competing in the water for their first season, this was highlighted at all of our local carnivals where they tested their abilities in tricky conditions. We look forward to seeing them all again next season.

Peter Lenehan and Justin Brogan

## **Under 10's**

The Under 10s have had another terrific season. We grew in numbers from last year and peaked at 26 this season. The team expanded their surf and beach skills and knowledge this year with a real focus on building confidence with board paddling and surf swimming.

In competition the Under 10s went from strength to strength – making a huge contribution in points to the club retaining the Dave Pheene trophy. We ended up with 10 branch medallists out of the 13 events and completely dominated in the team events. Our Nippers had their first taste of broader competition with 6 of the team competing in the NSW Country Championships. Rhys Flood and Lucy Hincksman won Country Championship medals in Beach Flags and our sprint relay team came oh so close to a win against faster teams from up and down NSW. Callum Elliott also competed in the Sydney Water series and had some success in the board paddle events.

Finally, we all had a lot of fun. The Nippers Sunday morning sessions culminated in the Girls and Boys being set up as "Patrols" and took control of the beach participating in a number of mock rescues demonstrating all of the skills they had learned over the Summer. Congratulations to Harry Smith and Emma Tuckwell who were very capable "Patrol Captains" on the day.

Scott and I look forward to seeing everyone back again next season as Under 11s!

David Hosking and Scott Elliott

### **Under 11's**

The under 11's had a fantastic 2013-2014 season. The nippers attended each weekend with enthusiasm, energy and lots of laughter.

At Broulee beach the nippers were challenged with huge swells and strong rips. The ability to perform in these conditions gave the nippers lots of confidence and helped them get over their fears and break down their barriers. By the end of the season all the nippers loved to take out a board and catch waves showing lots of skill, jump off the rocks and take the long swim around the cans. They performed well during the carnivals at Narooma, Moruya and Tathra. Narooma was a tricky carnival with the two venues, and the board events being run in the long creek, however, they still performed well. The highlight of the year were the results from the Moruya Carnival with many of them gaining top positions.

The nippers would like to thank Kel Pearce for sharing his knowledge, experience and skill with us; Sam Law for her energy, enthusiasm and skill; the Water Safety crew for their guidance and security; the parents for their support and Jack Phillips for starting off a great season for all the nippers.

See you all again in October!!

Shelli Goddard

### **Under 12's**

The Under 12's had a great season with ideal beach and ocean conditions. The U12's capitalised on these conditions to build their skills and confidence which was demonstrated by their success at carnivals. The U12's are a good group of all-rounders winning and placing in nearly all events at carnivals. I believe as U13's they will be ready to widen their surf rescue knowledge.

Kind Regards  
Tim

### **Under 13's**

The Under 13's had another fantastic season with great enthusiasm and confidence being shown each week. We had a great time every Sunday and our carnival attendance and results were fantastic. Craig Price was selected to attend the SLSNSW Talented Athlete Program and got a lot out of the experience.

Thank you for a great Summer, looking forward to seeing you as Under 14's next season.

Jamie Griffiths

### **Under 14's**

The Under 14's wrapped up the competition season by dominating the points score at the Tathra carnival. The Broulee Team showed excellent sportsmanship not only supporting each other but also supporting team members from other clubs. Their attitude was a reflection of a well-rounded season. At a club level the majority of the group achieved their Surf Rescue Certificate and immediately began helping on Patrols. Our Broulee Junior Life Savers of the Year were; Scott Senior and Ellen Hosking. Scott then went on to become the FSC Junior Lifesaver of the Year. Thanks go to Wendy Law and Mick Lambert for coordinating the SRC Training for the group.

Shannon Doughty

## Water Safety

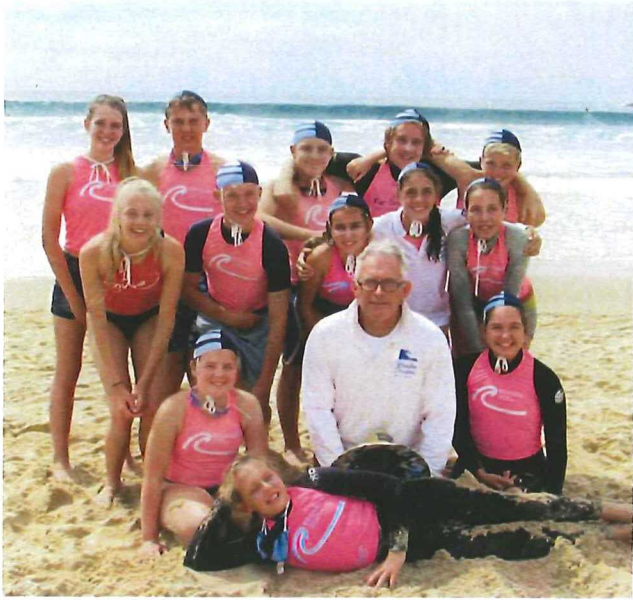

Another great season with no major incidents or rescues, this being a reflection on all the Water Safety volunteers taking such a professional approach to making sure our nippers are 100% safe in and out of the water. A big thank you to the volunteers that gave up their time to do Water Safety at our local carnivals and at the NSW Country titles held at Mollymook beach. Also to the Age Managers of all our great nippers a huge thank you for being so co-operative in working together with Water Safety , you all make our job a lot easier and a pleasure to do week in week out.

See you all for a great 2014 / 2015 season.

Thankyou

Garry Griffiths

### BROULEE SSLSC NIPPERS 2013/2014 AWARDS

Age	Award	Name
	Dave Pheeney Memorial trophy for the overall joint point score for the FSC Branch Championships.

 Scott Senior – U14 Male Surf, Long Board  
 Rumer Williams – U14 Female Short Board  
 Jack Griffiths – U14 Ironman Long Board, Sprint  
 U14 Sprint Relay

FSC Junior Lifesaver of the Year: Scott Senior

## **SECRETARY'S REPORT 2013- 2014**

Another season is almost over and we start to prepare for the next one to come. My year has been busy with the many and varied things that have to be done to keep a large Surf Club functioning and successful. I would like to thank the Committee for being so easy to work with and productive. Special thanks goes to our President Allan Veness who steers our course calmly through sometimes very turbulent seas. Our Treasurer Lynda McKay who is always on the ball with anything financial and our new Club Captain Kirsty Campbell who has been a breath of fresh air to our Club this year. She was awarded a Eurobodalla Shire Achievement Award at the 2014 Australia Day awards for her commitment to a local family in a time of need, and this was very well deserved.

We are a great Club of people, who showed this season that they could rally together in times of hardship and make the unbelievable possible.

We have had a few members selected to take part in State programs. Craig Price attended the Talented Athlete Camp, Scott Senior the Junior Lifesaver of the Year camp and Jack Phillips was accepted onto both the Lifesaver Exchange Program and the 18 – 25 years Network Development Program. I think these results show that we are not just about competition at Broulee.

Once every two years we host the State run Coaching the Coast Weekend, and invite all South and Far South Coast competitors along to gain some high level coaching skills. It was a well attended weekend with athletes and Coaches alike gaining a great deal of experience and knowledge.

Our Club Boat Captain, Gary Pettigrove was awarded a National Medal this year as Surf Life Savers were now included as Emergency and Rescue Services applicants for this award. It recognises Long hours of dedicated service over decades, and is awarded by the Governor General which is a great honour. He also celebrated 40 years as a Surf Life Saver this year, well done Gary.

Thank you to all our members and those supporters in the local community who have shared in our successes as a Club this season.

Wendy Law

Secretary

## **SURF SPORTS REPORT 2013 /2014**

2013/2014 was another fantastic season on the competition front with Broulee members once again being active and committed competitors. Broulee competed in all local carnivals this season as well as carnivals further afield including the NSW Country Championships, State Interbranch Carnival, Sydney Water Series, NSW State Championships and Australian Championships.

The Far South Coast team headed to the Central Coast to represent our Branch at the Interbranch carnival in December. A number of our members were selected including Wade McDonald, Charlotte Armstrong, Craig Senior, Emily Byrne, Scott Senior, Jack Griffiths, Ellen Hosking, Aaron Flood, Abbi Dunn and Sam Law. Unfortunately Ellen was badly injured the week of the competition and was unable to attend. The team stayed together enjoying a weekend of competition and the chance to make some new friends. Once again a big thank you goes to Wendy Law for organising the FSC team and weekend away.

The NSW Country Championships were held in January at Mollymook. This was the first time a large carnival has been held in our area in some time and provided our competitors with the opportunity to compete and experience a large carnival attended by clubs from all over NSW. 34 Nippers and 14 Senior competitors competed at the carnival in near perfect conditions. Our Nippers performed brilliantly with many making finals and medals being won by Rhys Flood and Lucy Hincksman. Our Senior and Master competitors also performed well making many finals and bringing home medals across a wide range of events.

It was fantastic to see so many of our members attend this event and be competitive against clubs from outside our area. All members showed fantastic sportsmanship and had a great time. The Country Championships will be held in Mollymook again next year. We hope to see even more competitors attend this great event.

Narooma was the first of the local carnivals with a great turn out of competitors from Broulee. Conditions were good with a decent 2 – 3 foot swell. All competitors did very well with Broulee winning the carnival. Thank you to Diego Carrasco for providing Water Safety on the Jet Ski for the day.

Moruya hosted the second carnival of the season in cold conditions. The water temperature was freezing and despite this, Broulee competitors persisted, competing well. The 3<sup>rd</sup> and final local carnival was the Branch Championship carnival held at Pambula. This was yet another great day of competition resulting in Broulee regaining the Jack Beale trophy for yet another year.

The NSW State titles were held in Umina this year in relatively flat conditions. Darren Browning, Darren Phillips and Scott Elliott all competed making a number of finals.

Broulee had one competitor, Darren Phillips compete at the Australian Titles held in Western Australia. Darren made the semi-final in the ski and final in the board event. Well done Darren.

Thank you to Wendy and Dave Law, Kirsty Campbell, and Amanda Smith for officiating throughout the season and making our local carnivals possible. Thanks also to Lynda McKay, Dave and Wendy Law for officiating for the three days of competition at the Country Championships as well. Thank you to Darren Phillips for giving up his time each week to train our members. Broulee Surf Club has a strong competition base through all ages and we look forward to seeing them all on the start line again next season.

Scott Elliott

## Broulee Surfers Surf Life Saving Club Inc For the year ended 30 April 2014

We have compiled the accompanying special purpose financial statements of Broulee Surfers Surf Life Saving Club Inc, which comprise the balance sheet as at 30 April 2014, the profit and loss for the year then ended, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

### 1. Committee Members:

The names of committee members at any time during or since the end of the year are:

Alan Veness	Lynda McKay
Wendy Law	Kirsty Campbell
Geoff Wells	

### 2. Principal Activities:

The principal activity of the club during the financial year was the provision of surf life saving activities.

Our procedures use accounting expertise to collect, classify and summarise the financial information, which the directors provided, in compiling the financial statements. For verification and validation procedures please refer to the accompanying auditors report enclosed in the financial statements.

### Operating Result:

Year ended 30 April 2014	Year ended 30 April 2013
\$10,718.09	\$11,389.13

Signed in accordance with a resolution of the Members of the Committee.

Alan Veness

Lynda McKay

Dated this 25 Day of June 2014

# Statement of Members

## Broulee Surfers Surf Life Saving Club Inc For the year ended 30 April 2014

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the company declare that:

1. the financial statements and notes, as set out herein present fairly the company's financial position as at 30 April 2014 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

### Statement by Members of the Committee:

The committee has determined that the club is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report:

1. The Balance Sheet gives a true and fair view of the state of affairs of Broulee Surfers Surf Life Saving Club Inc with respect to fundraising appeals.
2. The accounts give a true and fair view of the state of affairs of Broulee Surfers Surf Life Saving Club Inc with respect to fundraising appeals.
3. At the date of this statement, there are reasonable grounds to believe that Broulee Surfers Surf Life Saving Club Inc will be able to pay its debts as and when they fall due.
4. Presents fairly the financial position of Broulee Surfers Surf Life Saving Club Inc as at 30 April 2014 and its performance for the year ended on that date.
5. The provisions of the act, the regulations under the act, and the conditions attached to the fundraising authority have been complied with by Broulee Surfers Surf Life Saving Club Inc, and;
6. The internal controls exercised by the organisation are appropriate and effective in accounting for all income received and applied by Broulee Surfers Surf Life Saving Club Inc from any of its fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee:

President ..... *A. Venes* .....

Treasurer ..... *M. K.* .....

Dated this *25<sup>th</sup>* ..... Day of *June* 2014.

# Notes to the Financial Statements

---

## Broulee Surfers Surf Life Saving Club Inc For the year ended 30 April 2014

### 1. Statement of Significant Policies

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared in order to meet the needs of members.

The financial report has been prepared in accordance with the significant accounting policies disclosed below which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

#### 1.(a) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in, first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

#### 1.(b) Property, Plant and Equipment

Property, plant and equipment are carried at cost, independent of directors' valuation. All assets, excluding freehold land and buildings, are depreciated over their useful lives to the company.

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in shareholders' equity. Decreases that offset previous increases of the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the profit and loss. Each year the difference between depreciation based on the revalued carrying amount of the asset charged to the profit and loss and depreciation based on the asset's original cost is transferred from the revaluation reserve to retained earnings.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining recoverable amounts.

#### 1.(c) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

#### 1.(d) Trade Receivables and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful has been created.

#### 1.(e) Trade Creditors and Other Payables

Trade creditors and other payables, including bank borrowings and distributions payable, are recognised at the nominal transaction value without taking into account the time value of money.

#### 1.(f) Revenue and Other Income

Revenue is measured at the value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which, for floating rate financial assets, is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at reporting date and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

## Broulee Surfers Surf Life Saving Club Inc For the year ended 30 April 2014

We have audited the accompanying financial report, being a special purpose financial report, of Broulee Surfers Surf Life Saving Club Inc, which comprises the balance sheet as at 30 April 2014, and the profit and loss for the year then ended, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

### 1. The Responsibility of the Committee for the Financial Report

The committee of the association are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements, which form part of the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporation Act (NSW) and the Charitable Fundraising Act 1991 and the Regulations and are appropriate to meet the needs of the members. The committee's responsibilities also includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### 2. Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the directors' financial reporting under the company's constitution. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### 3. Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

### 4. Auditor's Opinion

In our opinion, the financial report presents fairly, in all material respects the financial position of Broulee Surfers Surf Life Saving Club Inc as at 30 April 2014 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

### Auditor's Declaration

In relation to the Charitable Fundraising Act 1991, the financial statements show a true and fair view of the financial results of fundraising appeals conducted during the year;

a) That the accounting and associated records have been properly kept during the year in accordance with the Charitable Fundraising Act 1991 and the regulations;

b) That monies received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the Charitable Fundraising Act 1991 and the regulations; and

# Auditors Report

---

c) At the date of this report there are reasonable grounds to believe that the Organisation will be able to pay its debts as and when they fall due.
