## PRESIDENT'S REPORT

We are a "Can Do" Club, delivering quality services.

This season we opened our newly renovated and extended Clubhouse and completed our 100% patrol efficiency commitment. I am pleased that no lives were lost on our beach during the patrol hours for our season. Our 11<sup>th</sup> Bay to Breakers Ocean swim was very successful. Our two nipper programs were managed in an excellent manner and delivered skills, fun and enjoyment. We conducted three surf sports carnivals on our beach.

The South Coast Surf Boat Series, the FSC Branch Carnivals and the NSW Sharkskin IRB racing round 3. We hosted the ALBERT advanced IRB course for the Branch on our beach and further developed our surf sports program with 10 Broulee members and in Aussie Finals.

Our Call Out Crew were very busy this season with a large increase in incidents along our nearby coastline. The club thanks the call out team for their diligence and prompt services.

This patrol season started in October 2021 and was impacted by COVID with our Canberra members unable to travel to the coast due to pandemic lockdowns. Thank you to the Broulee locals for picking up all the early patrols for the club. I congratulate our Club Captain Scott Kemmis and our 8 Patrol

captains for the excellent manner the patrols were conducted and providing a safe swimming and surfing location for the public. A huge thank you to our 130 diligent patrol members who attended during the season.

We held the two-day South Coast Surfboat series in November in tough conditions. Our masters men's and women's surfboat crews won their division on the day. We hosted the FSC Nipper carnival at North Broulee due to the large winds and surf on our beach and co-hosted the FSC senior carnival with Moruya at North Broulee on the same weekend. Our surf sports team was reduced by COVID lockdowns at these events.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

The FSC Jack Beal Surf Sports trophy for FSC clubs overall carnival points score went to Tathra after many years residing at Broulee. Tathra have challenged us to win it back off them next season. The challenge is on, so get training to win “Jack Back”.

I congratulate Darren Drewsen for his gold medal in the beach flags and bronze medal in the beach sprint at the Aussie Masters and the Broulee women's masters surfboat crew, Griffin Braves who came 4<sup>th</sup> in their final. Well done to all our young surf sports competitors who made the top 10 and finals in their events.

The 11<sup>th</sup> Annual Hotondo Bay to Breakers Ocean Swim was well attended this year. Thank you to the Swim committee lead by David and Rosemary Butt on delivery of an event to be very proud off. Thank you to the members who helped on the swim day and provided water safety. We could not do it without you. The swim committee also won the FSC

Services Team of the Year award. Congratulations Bay to Breakers Team. The club thanks Hotondo Homes and owner Darren Phillips for their 10 years of sponsorship and support for our fantastic ocean swim.

The NSW IRB racing round 3 at Broulee was a huge success. We set a benchmark in service quality and the weekend was enjoyed by all. Thank you to Andrew Edmunds and the Event committee and all our volunteers who gave their time freely to make this event special. It was great to see the clubhouse pumping three nights in a row.

A special thank you to David Butt for his efforts this year to empty the container of surplus building materials, to build the Changeroom stools and coat hooks and assisted with the strategic plan projects. Your advice and volunteer input is appreciated.

The clubhouse opened formally on 4 December by Andrew Constance our NSW MP and Fiona Phillips our Federal MP. I thank Peter and Lee Louttit for building us a magnificent clubhouse and for their personal contribution for their improvements to the clubhouse. In recognition of their generosity, we have named

“Pete’s Corner” near the bar. We received sponsorship from Solar Hub for the supply and installation of a 11KW solar panel system. Thank you to Benn and Luke for your generous donation to our Club. A huge thank you to the building committee chaired by Allan Veness for their efforts and project

# BROULEE SURFERS SURF LIFE SAVING CLUB

## ANNUAL REPORT 2021-22

management to ensure we delivered a quality Clubhouse and within our budget.

Our two Nipper programs are to be commended for the high standard of their program delivery they provide to the nippers. They integrate together well once a month and at FSC carnivals. I thank Jason Domeny and the Broulee Nipper committee and Matt Hammond and the Canberra Broulee Nipper committee. I just love seeing the nippers having fun at the beach. It was a pleasure to attend your presentations and see such happy faces.

The Club Executive has worked tirelessly all season to ensure our club operated successfully and to manage all emerging issues successfully. The Executive have been seen on the beach all day on patrol and in the bar serving drinks at night in January to ensure we delivered our advertised services especially when our volunteers were impacted by COVID in January. Scott Kemmis our club captain did a wonderful job managing patrol

operations, ALBERT, opening of the club house, all the carnivals and working the bar in summer. He also responded to a number of incidents during Easter as part of the call out team and as part of FSC Support operations. We have an excellent Secretary in Andrew Edmunds who is on top of the Club administration and drives our operations. Andrew is also a State Duty Officer for Surf Life Saving NSW, and during the flood emergency controlled over 100 IRBs operating in the northern NSW Floods zones. Our "Can Do" ethos is demonstrated in Andrew's outstanding outputs and contribution to the club.

Our Treasurer Lynda McKay managed the finances of \$1.2m for our building project as well as being Treasurer for our Broulee Swim. She is seen at every club event

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

organising the catering and events. It was a pleasure to Award Lynda with the Club Person of the Year and see her be awarded the FSC Branch President's award.

Natalie Browning as the Vice President this season and was involved in a range of projects including members diversity, developing our female leaders and contributing significantly to our Club's operations including patrols, on call duties and operating the Bar services.

Every club needs many volunteers to step up into leadership roles and I thank the excellent committee we had this year. They all managed their sections conscientiously and provided guidance on the club's agenda and programs. Thank you, committee members for your contribution.

I congratulate the FSC Branch Award winners: FSC Branch President's Award – Lynda McKay, FSC Branch Young Branch Person of the Year - Jessica Campbell, FSC Branch Services Team of the Year – Broulee Bay to Breakers Ocean Swim Committee, Under 15 Branch Champion Hugo Hayward and I was very humbled to be awarded the FSC Coach of the Year.

We welcomed the opening of the Under Deck Café – owner Darren Quinn and delight in his excellent Pizzas. We look forward to the menu expanding as they settle in and get their equipment in place.

I thank our volunteers during the season. Those that operated the Bar, prepared food, provided water safety at Nippers, were age managers, team managers, repaired IRBs and club boats and gear. We all appreciate your contribution.

We are keen to focus on developing our Surf Sports team and the transition from nippers to juniors to senior competitors. We need a program to retain our members right through to senior membership and provide fitter and stronger lifesavers.

Thanks to all our club members for being excellent members, for your contribution to the operations and success of the club this season. We are seen as a "can do" club and are now attracting major events such as the NSW IRB racing Carnival and our excellent clubhouse is attractive to event organisers.

Well done everyone on a great season.

Gary Pettigrove

President

## EDUCATION HIGHLIGHTS

2021-2022 saw a hand over of the chief training officer role from Michael Evans to myself, Jenny Taylor. It has been a steep learning curve but all in all very successful in what has been a very busy season. There have been many new awards attained, re-qualifications completed and changes implemented by SLSA. The units of competency were completely revised during the year meaning many members, trainers and assessors had to redo their awards in order to keep current. These changes seem to now be finalised.

Our new trainers have now successfully been mentored and are now endorsed as new trainers:

Bronze & SRC: Natalie Browning, Jason Domeny, Andrew Edmunds & Andrew Mizzi,

IRB: Andrew Edmunds & Andrew Mizzi.

Thanks go to James Flick for all his work training the Canberra contingent in both Bronze & SRC.

Many Thanks to our Assessors, Gary Pettigrove & Allan Veness who have assessed, mentored and re-trained themselves to keep their own awards current.

The Surf Life Saving Awards gained during season 2021-2022 are:

### **Advanced Resuscitation**

Jenny Taylor

### **First Aid**

Paul Barnes, Jason Domeny, Julianne Domeny, James Flick,  
Jenny Taylor

### **Bronze Medallion and Certificate II in Public Safety (Aquatic Rescue)**

**Broulee:** Aaron Broekhuysen, Oliver Lonsdale, Thomas Menzies-Stegbauer, Brendan Mizzi, Andrew Petch, Chaska Waterson

**Canberra:** Robyn Briese, Iwona, Conlan, Sophia Hawkins, Hannah Smith

### **IRB crew certificate**

Joanne Flood, Judy Jensen, Katrina Leach, Isobella Lopresti, Andrew Petch, Chaska Waterson

## CLUB CAPTAIN'S REPORT

The 2021-22 season was another success. Thanks to our patrol captains: Patrol 1 Scott Kemmis, Patrol 2 Steve Corcoran, Patrol 3 Darren Browning, Patrol ORCA Kerry Evans, Patrol 5 Gab Smith, Patrol 6 Ted Pettigrove, Patrol 7 Claire Forbes and Patrol 8 Michael Chew. Your efforts in ensuring our beaches are patrolled to full strength is great.

The season started off a little strangely with COVID-19 border restrictions meaning no members from the ACT were able to attend. Fortunately, a team of Broulee locals covered us from October to the end of November. The Broulee Locals were awarded the patrol team of the year as a result, as they did these additional patrols as well as their usual roster from December onwards.

I would like to thank not just the Patrol captains, but all members that helped out on the beach this season. The Captains and Vice Captains play an important part and when needed take responsibility, but it is so much easier when you have a willing and able crew behind you to get the job done, and this was certainly the case this year.

SLS Far South Branch, thank you.

Our Club Trainers have done an amazing job with quite a large number of SRC and Bronze participants completing their training and moving into the Patrols and bringing with them extra enthusiasm, skills and energy, thanks to all involved.

The Callout Crew, led by Darren Browning, have been mobilised several times this year and have done a great job complimented on at state level for their professionalism and skill, they are often called upon out of our normal patrol times and are a key asset for

Nippers are our next generation of patrollers and we certainly have a few of them, the amount of work that the nippers coordinators and parent helpers do is staggering and takes an enormous amount of time for all involved. I have attended many of Nippers beach sessions, even became a Ninja turtle for a day, and constantly impressed at the commitment from the Coordinators, Water Safety and parent helpers. Big Thanks to all involved, especially

# BROULEE SURFERS SURF LIFE SAVING CLUB

## ANNUAL REPORT 2021-22

Jason at Broulee and Matt in Canberra who have both been a driving force in making the connection between Canberra and Broulee a success.

Without the assistance of many of our behind-the-scenes members supporting us many of the functions such as Claire Forbes with all things First Aid, IRB & Equipment Maintenance, Peter McKay, Andrew Mizzi, and Pete and Vicky Haselden who topped up the fuel every Monday and make sure all our radios are working and are on charge. our Patrols would not be possible, thanks team.

Congratulations to our Patrol members of the year for each patrol:

Patrol 1: Sophia Hawkins

Patrol 2: Ben Mosely

Patrol 3: Diego Carrasco

Patrol ORCA: Simon Fearn

Patrol 5: Tony Tyrell

Patrol 6: Susan McKeag

Patrol 7: Jack Mohr

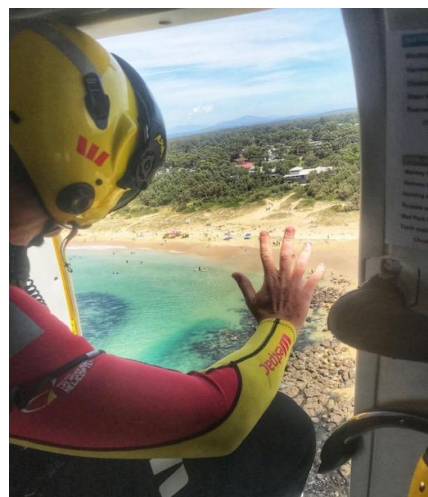

Patrol 8: Jess Campbell

And to our lifesavers of the year- Dan Beby and Julianne Domeny.

I look forward to seeing you on the beach all next year, stay safe and thankyou to all for your support.

Scott Kemmis

Club Captain

## SURF SPORTS AWARDS

**Broulee Patrol Competition Point Score:** Patrol 3

**Broulee Carnival Top Competitors:** Dan Beby and Jenny Taylor

## MAJOR AWARD WINNERS

### Junior Achiever of the Year – Cameron Cox

Cameron Cox. Cameron is a keen member of Patrol 1. This year for the 2<sup>nd</sup> year running he has completed 100 percent of his patrols. This year Cameron was selected as leader at the Far South Coast Branch development program Wambiri, having been a participant in the previous season. Congratulations Cameron.

### Junior Achiever of the Year – Isabella Lopresti

Isabella completed her IRB crew certificate this year, adding to her Surf Rescue Certificate she obtained last year. Isabella is a past participant at the Far South Coast Branch Wambiri development program. She has actively assisted with water safety each week at Nippers and is a keen member of the ORCA Patrol. Whilst on patrol she is one of the first to put her hand up for rescue training scenarios and has had a fantastic year. This year she has performed 43.5 patrol hours.

### Male Lifesaver of the Year – Daniel Beby

Daniel Beby is one of the leading patrollers for the year, performing 70.5 patrol hours. He assisted in the Broulee local patrols, nippers water safety, ocean swim water safety and water safety at local carnivals. Daniel helped out at short notice to help us relocate the Moruya senior carnival to North Broulee.

Daniel has been a 100% patroller for six years, is always there for set up and pack up. His knowledge of the ocean sees him as the first in the water for a rescue if required. He is always helping with the cadets, mentoring them on the many aspects of Surf Life Saving along with guiding them with their personnel skills.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

He competed in all FSC Branch carnivals in both the Master and Open divisions getting many points for the club and was also the driving force on the beach getting team events organised and under way at the senior carnivals.

He is always at the club to help with loading the gear trailer for both Junior and Senior carnivals. Each week he helps out and takes part in the Sunday morning swims, and he also helped out with the Broulee Bay to Breakers Ocean swim.

Dan's Life Saving skills are highly regarded and he is a real asset to the club where he does countless hours helping with the mentoring of our juniors along with patrolling and competing.

#### **Female Lifesaver of the Year – Julianne Domeny**

Julianne has been recognised for her outstanding contributions to the club. As the right hand to Jason, they together have delivered our local Nippers program every weekend. On the beach front Julianne has continued to deliver 100 percent of her patrols and also completed water safety at Nippers and at local Far South Coast Branch carnivals. Julianne, along with Jason and Erin also looked after the catering for the Albert course which was delivered at Broulee this year for over 50 lifesavers upskilling in the IRBs. She is one of our leading patrollers completing 62.5 patrol hours. Well done Julianne.

#### **Gus McDonald Eternal Spirit Award – Griffin Braves**

The Griffin Braves came first in the South Coast Boat Series, Undefeated in four rounds and in every heat. Finished fourth at the Australian Championships at Kirra. Qualified 3<sup>rd</sup> place after the round robin and was on the same wave as the crews who ended up finishing in second and third place, narrowly finishing in fourth.

#### **Club Person of the Year – Lynda McKay**

Lynda McKay has been pivotal to the club success in 2022. She has helped deliver us a brand-new club house, a boat carnival, a nipper carnival, a senior carnival and an ocean swim (and soon to add to that list an IRB carnival,) and a branch wide IRB training weekend. However, there has been one member who has been involved with it all. She completed 44.5 hours of patrol. She was a key member of the club building committee helping to manage more than \$1million dollars in State and Federal Government grants, and grants from Commonwealth Bank, and News Corp. Not to mention grants for new gear and equipment such as rescue boards, defibs, radios and oxy-vivas.

She looked after catering for the club Friday nights prior to Kiosk opening, reconciling catering for ALBERT training weekend, and at a days' notice organised extra catering for officials for the Moruya carnival which was moved to Broulee. Lynda was on the Ocean Swim Committee and also the Club Social Committee. She is a bar senior manager who did countless shifts over summer, and are always the first to put their hands up to help wherever they can.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

As our club Treasurer she was down the club every single weekend, except for 2 when she was in Tasmania ensuring the banking was done each week and new floats were available every Friday and Sunday for our bar trading. Congratulations to our much-adored life member Lynda McKay, who's fingerprints have been on every major club activity and achievement this season.

### FSC BRANCH AWARD NOMINEES AND WINNERS

Category	Member
Athlete of the Year	Darren Drewsen
Coach of the Year	Gary Pettigrove (winner)

Volunteer of the Year	Lynda McKay (winner of the FSC President's Award)

## BUILDING COMMITTEE REPORT

### Purpose

The Clubhouse Extension building project was to extend the existing Clubhouse. This included the following features:

1. Male and Female Change rooms and showers
2. New First Aid expanded room with ambulance access
3. Extension of the hall some 9 meters to the south
4. Expand the bar to accommodate external functions and club social and presentation events
5. Add on a third storey Patrol room for beach observation and communication
6. Include a café to lease to an external provider
7. Upgrade to a commercial kitchen
8. Relocate the Boutique
9. Upgrade to the fire alarm and fire protection

### Timeline

Date	Event
March 2020	Building Committee develops a Request for Quote (RFQ) Tender
April 2020	Committee approves the RFQ for release to Market
May 2020	Committee approves the preferred Tender
June 2020	Contract signed with Total Constructions (P&L Louittit) for the renovation
October 2020	Development Application (DA) approved by Eurobodalla Shire Council
November 2020	Building works commence (Clubhouse closed to members)
November 2021	Clubhouse works completed and handed back to the Club members
December 2021	Official Clubhouse opening

### Grants

The funding for the Broulee renovation works included:

- |  |           |
|--|-----------|
| 1. Federal Government (Facilities for Women) | \$550,000 |
| 2. NSW State Government (Facilities Grant)   | \$350,000 |

**Sub-Total      \$900,000**

Additional Grant funding to support the renovation works and building variations:

- |  |           |
|--|-----------|
| 1. Surf Life Saving NSW (NSW State Government) | \$186,000 |
| 2. Surf Life Saving NSW (Bushfire resilience)  | \$ 56,000 |
| 3. Newscorp (Kitchen appliances)               | \$ 25,000 |
| 4. Commonwealth Bank (Generator)               | \$ 25,000 |
| 5. Solar Hub (donation) solar panels           | \$ 10,000 |

**Sub-Total      \$302,000**

**Total      \$1,202,000**

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

The Grants where applicable have been officially reconciled after review and approval by the Club's Auditors, the Eurobodalla Shire and Surf Life Saving NSW.

#### Club Building Fund Contribution

The Club maintained a building fund to support the building renovation project.

**Total                      \$60,000**

#### Building Project Team

The Broulee Surfers SLSC project team who managed the project were:

Role	Member
Project Manager	Allan Veness
Project Finance	Lynda McKay
Project Administration	Andrew Edmunds
Project Member	Gary Pettigrove

The project team reported to the club committee on a monthly basis.

#### Building variations

A number of building variations from the original tender works were approved during the project.

These included:

- I. A canter levered deck corner so not to impact the surrounding bush
- II. A larger patrol room space for beach operations and patrol member support
- III. Concreting in front of the first aid room
- IV. Landscaping outside of the café area
- V. Installation of the cool room
- VI. The fire alarm, additional fire protection and fire pump to align with the building code for a public building of this size
- VII. Solar Panel installation
- VIII. Financial Support for the Café Range hood installation

#### Crown Land Lease and Licence

In 2021, the Broulee Club and Eurobodalla Shire reached lease agreement on a crown land for the clubhouse and gear shed. This crown lease applies a Crown licence for the first 5 years and rolls over to a lease for the period of 21 years. The income from the Café sub-lease is retained in the Clubs Building Maintenance Account to be used for that purpose. An annual meeting with the Shire is conducted to discuss the lease and the use of these building maintenance funds to maintain the buildings.

#### Project Expenditure

The total project building cost was \$1,260,000 which was aligned to the Club's budget and grant funding.

# BROULEE SURFERS SURF LIFE SAVING CLUB

## ANNUAL REPORT 2021-22

The builder, P&L Louttit Total Constructions made a significant in-kind contribution to the project that enhanced the quality and outcomes for members. We very much thank Peter and Lee for their personal contribution and design advice.

### Outcomes

- I. The official occupancy certificate was approved by the Building Certifier in November 2021.
- II. The clubhouse was a quality building and delivered within the total revised budget.
- III. The traditional look and feel was maintained.
- IV. The Male and Female showers and change rooms provide a facility not available previously to our members. The Commonwealth grant provided facilities for our female members who were disadvantaged in our previous clubhouse.
- V. The bar is significant and supports our fundraising and social operations.
- VI. The grant reconciliation is complete.
- VII. The café is operational but still to achieve its full menu and services.
- VIII. The collaboration between the project manager and the builder was a significant contribution to the quality and on budget outcomes.
- IX. The Club house is there for all to use. The feedback from external guests and members has been very pleasing. Utilisation rates are high over the summer period.

### Opening

The Clubhouse was officially opened on Sunday 4 December 2021 by Hon Andrew Constance NSE MP, Fiona Phillips Commonwealth MP and the opening was attended by Steve Pearce CEO Surf Life Saving NSW.

### Lessons Learned

- The Tender released would have been better if it had more detailed specifications. It would have been easier to compare and evaluate responses from tenders
- The Development Approval (DA) should have been approved before going to market with the tender. Would have removed a 5-month delay in starting the building stage of the project.
- The building code alignment based on the DA required additional cost items and services that were not originally budgeted for. These include the Fire Panel, internal fire proofing between floors and external Fire Pump.
- We engaged a cleaning contractor for up to 3 hours per week to maintain the club and to clean after functions where required. Funding for the cleaning comes from the building maintenance fund.

## BROULEE NIPPERS REPORT

Broulee Nippers season 2021/22 had solid numbers of registrations, with 135 registered nippers slightly down from 145 last season, in challenging times the support remained strong overall.

Outside of the season's challenges, the Broulee Nippers extended themselves in

all surf sports disciplines, and tackled the first aid aspects in training for their SRC qualifications. Sixteen under 14's completed their SRC this season. It is without any doubt that the training these Nippers participate in will give them the absolute ability to one day save a life or assist in such a way to change a life with these water and beach skills they learn. It just so happens to also be a lot of fun along the way with the opportunity to compete and represent themselves and their club in all these disciplines learnt.

This season started quite suddenly at the end of October as the nation transitioned back to socially normal activities again. And the La Nina also played a few tricks also, with quite unstable weather conditions contributing the seven training sessions at North Broulee and seven sessions at

South Broulee. Participation remained strong even when the weather played foul. Highlights of this season training sessions would have to be the bigger wave sessions at North and South Broulee, and some big ocean swim days in the beach rips at South. The Nippers are a very strong bunch of juniors!

The Broulee Nippers wish to thank many people in business for the successful season 2021/22. The support of sponsors Bay and Coast Metal Roofing and Lysaght whom has committed many years of support. As well as the support from IGA Tomakin, Southlands Butchery, Trussworx, BSC Accountants, St Peters Anglican College, Broulee Public school, Carrol College, Sunshine Bay and St Marys schools.

Operational worthy mentions are many, and a special mention to Andrew Edmunds and Cherise Walker the Club Secretary and Registrar for the ongoing commitment to keeping the Nippers program compliant and functional. Darren Drewsen for co-ordinating entries into branch and Interbranch carnivals, and all the away comps for countries and Aussies. Lauren Tyrrell and Michelle Dubois for the work in the Uniform department keeping the Nippers looking sharp. Lauren Tyrrell and Michelle Beby for taking some amazing photos throughout the season to

remember. John Costin for repairing many boards and keeping us on the water. Nat Browning and Tess

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

Snowball for keeping us updated on social media platforms and some RWC education in our sessions with Nat. Jenny Taylor for entering and updating awards, proficiencies and certificates. Andrew Mizzi, Natalie Browning, Andrew Edmunds and Jason Domeny as well as Assessors Al Veness and Gary

Pettigrove for many hours and days training our new SRC members in the Under 14s as well as several parents in their Bronze Medallion to assist as water safety. And to Scott Kemmis for coordinating patrols and all the many patrollers on those very busy Sundays. One day, it will be this generation of Nippers keeping us safe on the beach. A grateful thank you also to Julianne Domeny for her tireless support and behind the scenes work in everything Nippers.

The Water Safety co-ordinator role this season was stepped into by Craig Bindon, an important role not just in responsibility, but also vital to Nippers being able to be conducted with all ratios of safety numbers being met. On any given day there is a minimum of one Water Safety person to five Nippers entering the water. Sometimes in poorer conditions ratios of 1-3 or even 1-1 is needed. Thanks Craig and all those dedicated water safety participants keeping the wheels in motion!

Adding to the Water Safety mix this season, 3 new Adults, some parents and some community members, upskilled and requalified to receive their SRC and Bronze Medallion to help out in the Water Safety this season, and that is tremendous.

Broulee Nippers this year had a full and committed team of Age Managers and Water Safety. A high commendation to each and every one of these people who not only volunteer their time each week but perform such an important role within the Nippers program at BSSLSC. Some new Age managers joined the team in this season, and we look forward to the continual development of their age groups in the years to come. Thank you all!

### SEASON 2021-22 AGE MANAGERS

**U14:** Jess Campbell

**U13:** Jason Domeny and Dan Beby

**U12:** Sarah Carroll, Todd Hayward, Sean Costin

**U11:** Michelle McPherson, Martin Roberts

**U10:** Annabelle Smith and Glenn Dawson

**U9:** Steve Halliday and Tony Tyrell

**U8:** Paul Farmilo and Scott Carver

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

A big thank you to Jess Campbell for her many years of transition from Nipper and cadet to assistant age manager then on to Age manager and for this seasons SRC U/14s.

The efforts of all these are not without help from the parents, engaging in vital roles of board washing, and general logistics to and from the beach and carnivals. Keep up the good work, and the momentum will continue for the 2022/23 season!

Broulee Nippers competed strongly in three branch carnivals over the 2021/22 season. The first carnival was hosted at Pambula beach, which fortunately, escaped the worst of the storm and flood affected coastline further north. Still, the clear conditions had strong seas and solid waves and the inshore vortex currents keeping the water events very tight in the older groups and challenging to the young ones. Nevertheless, the 70 plus strong field of Broulee competitors performed well in the water. Sand events were unaffected by the preceding week's storms, and all events were well populated with Broulee caps.

Second carnival was a carnival to remember, what a busy fun filled event at North Broulee for the FSC Branch junior carnival. The weather held out for 121 strong field of Broulee competitors and solid participation from Moruya, Pambula, Tathra, and Narooma Nippers. A consistent wave developed on the rising tide throughout the morning, which allowed plenty of firm sand for the early beach events to begin and flow seamlessly. The beach run first up had great

numbers as the age groups staggered through before combining the 13s and 14s for the long flag of 1km. Flags and sprints had some challenging fresh groomed of medium and soft packed sand at North to contend with, and both areas had full pits and good sports to fill them. The water was where the new PB's began to develop, as with a bit of home ground advantage, the swim string had the spectators squinting for focus before the legs hit the sand bank for the sprint to the line in some big-hearted finishes. It's always exciting when the board legs start when there is a wave in the course, the U14s always manage to impress as the 'Oohs' and 'Ahhs' from the sand builds as monster drop ins and the occasional nosedive raise the tone of the beach noise. Overall, a great day from team Broulee, and not overshadowing the efforts of the athletes of the day, but a big thank you to all whom helped on the day, before the day, in or out of the water, thank

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

you! Broulee played a perfect host for the carnival event. Great effort everyone!

The Broulee Nippers team travelled to Narooma Beach for the Branch Championships and final local carnival for the season. Almost 70 competitors competed in the final branch Nippers carnival of the season, showcasing months of training. Well done Broulee, you shone with outstanding sportsmanship, camaraderie, and spirit to achieve your personal bests and it was a great team result for the day. The team was missing almost 40 competitors though from the “Isolation lurgy” which was also mirrored in every participating club’s team on the day. The challenges just keep on rolling it seems, however the carnival on the whole was incredibly successful for all participants.

The weather was 10/10, swell a bit big, and the water temp unreal! So, as it played out, sand events were all at the main beach, and competitors battled the line honours and the rising tide also. Then after the sand sprints, flags and the adored All age relay, it was off to the second location of Bar beach for the pristine backdrop to host the water disciplines. Without exception, all the

Broulee team were challenged in the events, as it is somewhat more exhausting in still water than in surf, where the race is fought from start to finish in strength and endurance that the waves cannot offer assistance or insult to the racing teams and individuals. Well done to everyone for the most positive and thrilling event of the season so far, and a big shout out to the 11s, who were cheering their water entrants all the way in, in every race. And how cool were the 13s, holding their nerve in the swim, whilst a resident competitive seal played dodgem with the front runners - to the beach and back out again, and again, and you get the picture... Mind you, the seal visited most of the age groups at least once in the water swims, and in the clear water, was also very well monitored from the shore and the Water Safety in the drink.

### FSC BRANCH CHAMPIONS

The following Broulee nippers were awarded Far South coast Branch medals for their outstanding performances in the FSC Branch carnivals.

Of the possible 130 Branch medals to be won throughout the FSC branch season, the combined Broulee team managed to win 80 of those, showing the strength and dedication of our Nippers.

The combined Broulee and Canberra/Broulee team also secured the Dave Pheeney memorial trophy for the fourth consecutive year this season.

### Best and Fairest Award 2021-22: Kaeleigh Peard

Best & Fairest Award recognition this season was taken out by the very well-deserved Kaeleigh Peard in the U 14s. Kaeleigh shows outstanding leadership and determination in her contribution to Nippers and also on Patrol now she holds her SRC. She is calm and delightfully polite in her demeanour, and shows a fine example to all peers and colleagues around her. Kaeleigh has two younger siblings coming through the Nippers ranks, so it may be that we see more to come from this family. Well done Kaeleigh.

### JUNIOR LIFESAVER OF THE YEAR NOMINATIONS

The Junior Lifesaver of the Year Award is a way for Clubs and Branches to recognise their U14 members' achievements in Surf Lifesaving, and the contributions they have made to all levels of Surf Life Saving as well as within the community. This year's representatives from Broulee were selected from a number of other participants and were interviewed by the Far South Coast Branch committee for consideration of the Branch nomination. Well done to Kaeleigh Peard and Oscar Sheldon-Smith.

### LOOKING FORWARD TO SEASON 2022-23

The Broulee Nippers look forward to the next season, and it's almost certain that we will see similar numbers of enrolments for new and returning Nippers. Age groups will aim again for the 20-25 participant mark where possible, but there are some groups that will rely on some additional help as numbers are well supported above this. Equally, there has been much interest from parents to upskill themselves and gain their Bronze Medallion to help in water safety. Operationally, we welcome any new interest for persons wishing to help in the running of the week-to-week operations, as there are many roles and supporting persons needed for any given session. We will welcome some returning cadets to the Nippers as mentors within the age groups, and some new parents also who have shown interest in bringing the new season U8s through. Season

2022/23 is shaping to continue with the momentum gained from this season, and we look forward getting back into the water in October.

BROULEE SURFERS SURF LIFE SAVING CLUB  
ANNUAL REPORT 2021-22

## CANBERRA/BROULEE NIPPERS REPORT

The season started at a stifled pace thanks to COVID restrictions and lockdowns but once we got started, we had a very successful season!

We had 121 nippers registered as part of family memberships for Canberra/Broulee as well as some cadets and parents as part of Patrol 2. There was lots of participation and involvement in Junior Carnivals, patrols, Bay to Breakers Ocean swim and club events. A significant contribution to Club membership!

The Canberra/Broulee nippers from Under 7s to Under 14s trained mostly at Canberra Olympic Pool (COP), with the U12s to U14s having a few board sessions at Lake Burley Griffin. After one separate session on a Saturday at Broulee, we joined the other Broulee nippers for combined Sunday sessions

around once a month. A highlight was the combined Christmas session/party in Broulee in mid-December with the special appearance of Santa!

A strong contingent of competitors from U8s to U14s participated in all 3 Junior carnivals across the season, December in Pambula, February in Broulee and March in Narooma. Many new and

experienced nippers and families travelled down the coast to try out their skills, have a go and participate. We were all very proud of their efforts!

Another highlight from the season was the Wambiri Youth Development Camp in April when some of our U14s and parent chaperones visited Pambula. This is always a very valuable experience spending time on jet skis, rescues, socialising and gaining knowledge from others.

Canberra/Broulee nippers also had fantastic times at COP with their after-session BBQ sausages and treats thanks to Phil Bell our BBQ master. We had some fun and challenging Points Day throughout the season offering some competition and pre-carnival events for our nippers. These were great opportunities to hone their skills and show good sportsmanship.

Our U14s successfully completed their SRC during the season with a big thanks to the Age managers, Matt Hamond and Richard Symanski. The U14s did their theory and physical components at COP sessions

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

organised by their trainer James Flick. They all passed their assessments at Broulee with Gary Pettigrove, thanks to both of them!

Age	Age Champion	Runner Up	Encouragement Award
Under 14 Male	Jacques Dusan	Joshua Van Dam	
Under 14 Female	Sofia Szymanski	Annalise Hammond	
Under 13 Male	Finn Conlan	Billy Hoffman	
Under 13 Female	Chloe Turner	Sarah Leach	Georgia Mather Madison Hammond
Under 12 Male	Charlie Cecere	Julian Susa	Aronin Reye
Under 12 Female	Lara Barnes	Isabella Posterino-Bell	Linnea Raymer
Under 11 Male	Sacha Dusan	Wiktor Firyeh	Rufus McDuff Asher Kayser
Under 11 Female	Claudia Montero	Laila Te Moananui	Devon Trenton
Under 10 Male	Harry Leach	Hugo Dusan	Indie Mackay
Under 10 Female	Malin Raymer Annabel Montero	Brooke Trenton	Abigail Armstrong
Under 9 Male	Archer Billington	Sam Barnes	Otis Collingwood-Boots
Under 9 Female	Eloise Hammond	Hannah Firyeh	Iris Bell

On 1<sup>st</sup> May we gathered to celebrate our Canberra/Broulee season with a presentation of awards at

Ainslie FC. The Age champions, Branch Medals and patrol awards were presented in front of friends and family. Congratulations to all the nippers for such a strong, determined season, really putting your learned board, swim and relay skills in to action. Thanks to MC Greg Leach and special guests Melita Flynn from our sponsors Capital Chemist, Wendy and Dave Law, guests

Steve and Judy Corcoran, Gary Pettigrove Club President and Jason and Julianne Domeny for attending.

### CANBERRA/BROULEE NIPPERS 2021/2022 AWARDS

#### **Best & Fairest Award: Annalise Hammond**

A number of our Canberra nippers received Branch Medals from their efforts in Junior Carnivals across the season – Congratulations goes to Jacques Dusan, Archer Billington, Lara Barnes and Harry Leach.

Such a successful season would not be possible if it wasn't for our amazing parent volunteers. A huge thank you to all our Age managers and Water Safety, to our hard-working sub-committee, our Canberra/Broulee nippers captains – Sofia Symanski and Josh Van Dam, BBQ – Phil Bell, SRC trainer - James Flick, Assessor –

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

Gary Pettigrove. A huge support and help provided by the Broulee team, especially Jason Domeny and all the Broulee Age managers and Water safety.

We would like to appreciate and acknowledge the invaluable help of our generous sponsors – Capital Chemist and the Tall Foundation for new Bennett Boards, Nikkias Diamond for the new Age managers shirts, DWL, Capital First Aid, Ingenia Holiday Park Broulee, The Lodge and Barlings Beach Holiday Park also provided accommodation discounts to our families for our Broulee weekends.

After a few disrupted years, the Canberra/Broulee nippers have shown grit, determination, and spirit for BSSLSC with many emerging life savers amongst us. Congratulations on a very successful season and we know there is lots more to come in the pool and on the beach next season!

## SURF SPORTS REPORT

Despite Covid 19, extreme weather and even infectious illness, the Broulee Surfers competition crew continued to expand and thrive. Our competitors displayed great levels of participation and success in all age groups and at all levels of competition. This included Branch carnivals, NSW Country Championships in Forster, NSW State Championships in Sydney and Aussie Championships on the Gold Coast.

### BRANCH CARNIVALS

The 3 Junior carnivals were held at Pambula, Broulee and Narooma. We had more than 150 Nippers attending. Displaying sportsmanship, skills and tons of enthusiasm, our little legends dominated all 3 carnivals which resulted in the Dave Feeney Trophy remaining locked in our trophy cabinet for yet another year. Further details can be found in the Nippers report.

Batemans Bay, Moruya and Narooma hosted the senior branch carnivals this year. A small group of Broulee athletes did us proud in the difficult conditions at the first carnival at Malua Bay. The Moruya carnival (relocated to North Broulee) and the Narooma carnival took part in difficult surf and conditions on both days. Our Senior team displayed a competitive nature, high level of skill and camaraderie at all events. However, dramatically affected by Covid 19 and isolation requirements, resulted in us having to lend the Jack Beale Trophy to a worthy Tathra crew for the time being.

### NSW SLS CHAMPIONSHIPS QUEENSLIFF & NORTH STEYNE

Broulee Surfers had 7 competitors at the 2022 NSW Surf Life Saving Championships held at Queenscliff & North Steyne. Zali Smart, Archie Rosenbaum, Louis Hayward, Hugo Hayward, Luke Drewsen, Erin Drewsen & Darren Drewsen and their support crews braved extreme rainfall, poor water quality, hazardous surf and an outbreak of infectious illness before the event was firstly postponed and then in the interests of competitor safety and wellbeing eventually cancelled.

Only our junior members had a chance to compete before this happened. Special Congratulations to Zali Smart for her 6th place in the final of the Beach Sprint.

### INTER-BRANCH TEAM

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

All done to the following athletes who were selected to represent the Far South Coast branch at the Inter-branch Championships. Unfortunately, the event was once again cancelled.

Elizabeth Barrington, Arusha Chew, Sierra Chew, Luke Drewsen, Marley Eaton, Rosie McPartland, Kayleigh Peard, Scott Senior, Ameilia Tyrrell and Skye Wildman.

### BROULEE PATROL VS PATROL COMPETITION

The second year of the Patrol vs Patrol competition ran in conjunction with the senior Moruya/Broulee carnival. Numbers of participants were down due to Covid 19. However, after some very tough racing the points went once again to Patrol 3. Daniel Beby retained his title of Best Male competitor and Jenny Taylor was awarded Best Female competitor. Thanks to all the Patrol Captains and club members that supported the event and ensured its successful continuation next year.

### NSW COUNTRY CHAMPIONSHIPS

Wow, what an amazing trip away! Country Titles once again meets expectations as my favourite carnival of the year. This year Broulee Surfers took a squad of 12 competitors and 10 support crew to NSW Country Championships held in Forster. The results are as follows:

Mia Atkin: Finalist in the Sprint and a great effort in the Flags.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

Kiera Atkin: An amazing 4<sup>th</sup> in the 1km Run, 7<sup>th</sup> in the Iron person and also participated in the Sprint, Flags, Board and Swim.

Darren Drewsen: Gold Medals for Open & Masters Flags, Masters Sprint, Silver in the Masters 2km, 6<sup>th</sup> Open Sprint, 7<sup>th</sup> Masters Ski.

Erin Drewsen: 7<sup>th</sup> in the Flags and 7<sup>th</sup> in the 2km Run

Luke Drewsen: Silver Medal in the Beach relay, 5<sup>th</sup> in the Flags, 5<sup>th</sup> in the Sprint & 12<sup>th</sup> in the 1km.

Rosie McPartland: Silver Medal in the Beach relay, 4<sup>th</sup> Iron person, 6<sup>th</sup> Swim, 6<sup>th</sup> in the Board, 8<sup>th</sup> in the Sprint & participated in Flags

Cameron Paull: Silver Medal in the Beach relay, 7<sup>th</sup> in the Sprint, 14<sup>th</sup> in the 1km and participated in Flags.

Archie Rosenbaum: 5<sup>th</sup> in the Flags (retired hurt) & finalist in the Sprint

Jenny Taylor: Gold Medal in the 2km Run & Bronze Medals in the Flags, Sprint and Ski

Aidan Tyrrell: Participated in the Flags.

Amelia Tyrrell: Silver Medal in the Flags and a finalist in the Sprint

Chelsea Tyrrell: Silver Medal in the Beach relay, 7<sup>th</sup> in the Sprint and participated in Flags

Apart from the amazing results, I am very proud of the way our competitors

and parents supported each other and came together as a great team.

Special thanks to the legends Nat Browning and Andy Edmunds for their amazing support and expertise both on and off the water. We couldn't have done it without you and it wouldn't have been the same trip if guys weren't there with your endless smiles and encouragement.

Lastly thank you to Gab Smith from BB Smith Conveyancing for the great looking team shirts, they made us the best looking squad on the beach.

# BROULEE SURFERS SURF LIFE SAVING CLUB

## ANNUAL REPORT 2021-22

### AUSSIES 2022 (BY ERIN DREWSSEN)

Spending time at the Australian Titles for SLS in 2022 was a wonderful and eye-opening experience. On Friday the 1<sup>st</sup> of April, filled with excitement, three families from Broulee SLSC travelled by car and plane to the Gold Coast. It was instantly relaxing to escape from the turbulent skies back at home and welcome ourselves into the beautiful sunshine of Queensland. We were blessed with the stunning beach views of Surfers Paradise, Kurrawa and Kirra. The entire area of the carnival seemed to be sharing the same Australian Titles bliss. Shop owners, Uber Drivers and local spectators all were enlivened with the talk of the carnival.

After I arrived, I could not wait to compete, especially in flags, my favourite event. My brother Luke and I were due to compete on Saturday and Sunday followed by my Dad, Darren, who was set to compete on the following Monday and Tuesday. Out of the countless number of restaurants in the area we had an excellent dinner, and settled into bed preparing to compete the next day.

Bright and early on Saturday, competing for Broulee from the U13 girls, Rosie McPartland raced through her events admirably participating in the Swim, Board, and Ironwoman. Luke Drewsen and Cameron Paull from the U13 boys kicked up the sand as they zoomed past the crowd in the beach sprints. I also ran in the Beach Sprints and competed in the U15 girls despite merely brushing the shoulder height of the other competitors.

All of us competed exceedingly well and it was thrilling news to find out Luke had made the final for the beach sprints and Rosie had made the final for the swim. To make the final is a huge achievement and both Luke and Rosie represented Broulee with pride.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

On Sunday Luke, Cameron, and I headed to Kirra beach to participate in the beach run. I ran in the 2km beach run and Luke and Cameron went in an U13-14 1km beach relay. They ran amazingly well, coming 6th out of the U13 boys. Rosie impressed us all by competing in the incredibly difficult 2km swim. She finished without ever having competed in the event.

Later that day Cameron and Luke warmed up for the U13 boys flags. Despite the brutality of the event, Cameron emerged with a 7th place in flags, making the final. After Cameron and Luke, I finished my competition with flags. I shocked myself with how well I ran and did much better than I was expecting. I was overly excited when I ended up coming 10th place, and was one run from making the final. I'm encouraged to train hard and improve upon this result in my next carnival. I think Rosie, Cameron and Luke all feel the same.

Competing at Aussies was exhilarating. With such pristine tracks, professional set up, advertisement, merchandise, music and commentary it made us feel excited and confident about competing. It was amazing seeing and competing with people your age who are such incredible athletes. Watching the endless sportsmanship and the lasting relationships between larger clubs was inspiring.

After two exhausting days of competition in the hot sun, everyone from Broulee decided to make a trip to Wet'n'Wild. It was an awesome bonding experience for us all and we laughed our way through the day. It was crazy how many other surf club kids we could spot - the pinkie tan lines were a certain giveaway!

On Monday and Tuesday afternoon Darren Drewsen competed in the Masters Sprint and Flags and ran astonishingly well and medaled in both events. Taking out a bronze in the Sprint and a beautiful gold in the Flags. We were so proud of him.

Overall, everyone's competition experience was satisfying, and it was such a magnificent event. I thank everyone who had a part in setting up the Aussies and helped ensure we were all able to experience such a great SLS carnival. Special thanks to the Broulee Touring Team manager, Darren Drewsen, T-shirt sponsor, Gab Smith and everyone at the Broulee SLSC who supported us on social media. We really appreciated your support and it was great to know you were there cheering us on.

I will definitely be back for Aussies in 2023!

## LOOKING AHEAD TO THE 22-23 SEASON

A lot of exciting changes are already planned for next season, some of which include:

1. Development of a Youth program designed for our competitors/participants as they progress from Nippers into the Senior part of our club.
2. Introduction of club coaches for competitors heading to Country, State or Aussie Championships. This will cover water, craft and beach disciplines.
3. Senior Club Championships (Youth, Jnr, & Open). A one-day event planned for the start of the season. The Program would include individual events: Beach Run, Flags, Sprint, Swim, Board & Ski.
4. Surf Sports specific awards presented on annual basis:
  - Surf Sports Nipper Competitor of the Year
  - Male & Female
  - Surf Sports Youth Competitor of the Year: Male & Female
  - Surf Sports Snr/Master Competitor of the Year: Male & Female
  - 100% Competitor Award

These awards would be to recognise levels of success/excellence at carnivals outside our Branch and would be based on an athlete's performances at: Country Championships, State Championships, Aussies, World Championships.

5. Expansion of the Competition Crew/Committee for NSW Country and State Championships and Aussies in Perth.

Thank you to all of our age managers, officials and water safety personnel who helped at carnivals this season. They do an amazing job and without them we would not be able to compete. Keep training as the start of next season is just around the corner.

Darren Drewsen

Surf Sports Coordinator

## SURF BOAT REPORT

COVID-19 saw the 2021-22 boat season disrupted again. Many of the carnivals did go ahead, although the longer races early in the season (Pambula Club to Pub, and The Rooster River Run in Sydney) were cancelled. And while the inaugural Burley Griffin Gift surfboat race had to be cancelled due to COVID-19, we're on track to hold it in Canberra in October 2022. Of greater challenge were the periods of individual isolation that disrupted crews and training, and so

carnivals were not what they have been in the past and for the first time in a number of years no Broulee crews made it to the Australian Surfboat Rowers League Open Championships. Despite the upheaval we managed to get teams to a lot of events and a highlight was Broulee hosting back-to-back rounds of the Warilla Bowls South Coast Boat Series over the weekend of 20-21 November 2021 on our home beach.

The Gus MacDonald Eternal Spirit trophy was awarded to the Griffin Braves (Robyn Trenton, Susan McKeag, Vikki Fischer and Brenda Lofthouse) for their success at the Warilla Bowls South Coast Boat Series and Aussies.

As usual we are indebted to our sponsors: Capital Brewing Co. and MESCO. And thanks to Gus

McDonald for his work in getting boats and trailer up and running.

### SOME OF THE CREWS' NOTABLE RESULTS:

#### Warilla Bowls South Coast Boat Series

Once again, the Griffin Braves won the series in the Masters Women divisions. Sadly, the Masters Mens crew (Mixed Grill) lost their long-held crown, coming second on points. A series highlight were the races on our home beach.

#### 2022 Aussies

The Club had two crews head to the Aussies, both in Masters Divisions – the Griffin Braves in the women's 160s and Mixed Grill in the men's 180s. Unfortunately, the men's team was blighted when one of the crew contracted COVID and the crew had to compete with a rower from another club, making

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

them ineligible for a finals place. The Braves achieved a 3<sup>rd</sup> placing on points in the heats, making it through to the finals where they just missed out on a medal and came 4<sup>th</sup> overall.

#### Sweep accolades

Well done also to sweep Rob Pollock who was one of the sweeps for a group of rowers from six different

surf clubs who were the first to row cross Bass Strait in a surf boat, raising money for Clown Doctors. It was a mammoth effort over 8 days.

Very well done also to our sweep, and Club President Gary Pettigrove who was awarded the Far South Branch Coach of the year, for his work battling injury to come back and sweep crews at Aussies.

Finally, congratulations to Don Szell of being awarded the Canberra squad Rowers' Rower award for his service to sweeping the Canberra crews during training all season. The Rowers' Rower award is picked by Canberra rowers and given to someone who has contributed the most through the season.

## HOTONDO HOMES BAY TO BREAKERS OCEAN SWIM

The eleventh annual Broulee Bay to Breakers Ocean Swim was conducted on Sunday 13 March 2022. After a summer impacted by the pandemic and wild weather conditions, the 11<sup>th</sup> swim was successfully managed on North Broulee Beach with 333 swimmers. The event had 376 registered swimmers but COVID prevented some from participating.

Risk management was key in the assessment to conduct this swim. Wild storms and heavy rain flushed trees, logs, sticks and mulch from the Moruya River and Candalgan Creek into the Broulee ocean waters. The normal course from Shark Bay to Broulee Beach was assessed to have a high risk due to the floating logs and the amount of debris on Broulee Beach. The event was moved to North Broulee Bay for the safety of the swimmers and to remain within the event's risk tolerance. The North Broulee water was slightly turbid, calm with a small wave and the water was at 22.2C. The weather conditions were good at 26C, warm with little wind on the North Broulee swim course. Swim registration was closed one week prior to the swim and there were no walk-up registrations on the day. This made the administration simpler.

The seventh year of the Under 12 and 14 swim over 500m was also conducted at North Broulee with 29 swimmers and for the second year Novice Swimmers joined in.

The event was sponsored by Hotondo Homes (Principal Darren Phillips) as the major sponsor, and was supported by a small number of local sponsors. Hotondo Homes are in the first year of their next five-year major sponsorship agreement.

## BROULEE SURFERS SURF LIFE SAVING CLUB

### ANNUAL REPORT 2021-22

The swim committee did a fantastic job applying better practice and lessons learnt from previous swims to make this a better event. David and Rosemary Butt were the Swim Directors and their efforts were

industrious and innovative. The timing system was managed and controlled by Ted Pettigrove. Several successful test sessions were undertaken throughout January. The event results were available a few minutes after the last swimmer crossed the line. The swimmers' feedback was very positive again this year.

Profit made from the event was \$6,000 for the Broulee Surf Life Saving Club. Broulee

Surfers SLSC then donated \$1000 to Broulee Mossy Point Community Association and a donation to the sailing club for use of their buoys.

### EVENT FACTS AND HIGHLIGHTS

- Naming sponsorship from Hotondo Homes and their logistics party were brilliant. An excellent relationship has been established with benefits to both parties. The finish area and the archway looked professional and worked well for swimmers.
- 336 swimmers entered the water.
- Single Age group waves of single gender were the norm for this swim and worked well.
- 172 swimmers were male and 161 were female.
- The Over 50 age division had 71 swimmers and Over 40 had 51 swimmers
- 79 swimmers came from Broulee, Mossy Point, Moruya and Batemans Bay. Over 200 came from Canberra
- Alec Morris won his first Open Men's Swim and Jordyne Rauter won her first open Women's swim.

### SPONSORS

The following sponsors supported the event and their donations were gratefully received: Hotondo Homes, Woolworths, Tim McDonald Photography and FX Business Centre.

## ANNUAL REPORT 2021-22

### Broulee Surfers Surf Life Saving Club Inc

ABN: 62 456 466 445

#### Notes to the financial statements

For the year ended 30 April 2022

##### 1 Summary of significant accounting policies

The association was incorporated 21 October 1988 (Y0616534) under the *Associations Incorporation Act 2009*, NSW as a Not for Profit Entity. It is registered with the Australian Business Register - Australian Business Number 62 456 466 445. The association is registered for Goods and Services Tax purposes and reports quarterly on a cash basis. The association is income tax exempt under authority from the Australian Taxation Office. It holds an authority to fundraise through Surf Life Saving New South Wales Incorporated (CFN11033) under the provisions of the Charitable Fundraising Act 1991 and the authority remains in force until 6 May 2024.

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009* as above and *Australian Charities and Not-for-profits Commission Act 2012*. The committee has determined that the association is not a reporting entity. The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, AASB 1048 Interpretation of Standards and AASB 1054 Australian Additional Disclosures.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

##### (a) Property, plant and equipment

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use. Donated assets are brought to account at fair value at the date of acquisition.

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

##### (b) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

##### 2 Critical Accounting Estimates and Judgments

The committee make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates. There are no areas that involve a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements other than those described in the accounting policies.

##### 3 Key Management Personnel and Related Party Disclosures

The committee and volunteers did not receive any remuneration from the association during the year other than reimbursement of out of pocket expenses that have been fully substantiated. There were no related party transactions with the committee during the financial year.

**Notes to the financial statements**

For the year ended 30 April 2022

**4 Information and Declarations to be furnished under the *Charitable Fundraising Act 1991***

During the year the association obtained net income of \$53,535.15 for charitable purposes. Of this income \$3,311.64 was used for fundraising expenses. The surplus was used for equipment purchases and maintenance. Fundraising efforts conducted included sponsorship and donations, various functions and product sales.

BROULEE SURFERS SURF LIFE SAVING CLUB  
ANNUAL REPORT 2021-22

**Broulee Surfers Surf Life Saving Club Inc**

**ABN: 62 456 466 445**

**Statement by members of committee**

In the opinion of the committee:-

- (a) At the date of this statement, there are reasonable grounds to believe that Broulee Surfers Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.
- (b) The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

This statement is made in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profits Commission Regulation 2013* and with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Treasurer

Date: 15 July 2021

BROULEE SURFERS SURF LIFE SAVING CLUB  
ANNUAL REPORT 2021-22

**Broulee Surfers Surf Life Saving Club Inc**

**ABN: 62 456 466 445**

**Fundraising declaration**

In the opinion of the Committee:

1. the financial statements give a true and fair view of all income and expenditure of the association with respect to fundraising appeals, and
2. the statement of financial position gives a true and fair view of the state of affairs with respect to fundraising appeals conducted by the association, and
3. the provisions of the Act (*Charitable Fundraising Act, 1991*), the regulations under the Act and the conditions attached to the authority have been complied with by the association, and
4. the internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the association from any of its fundraising appeals.

This declaration is made in accordance with a resolution of the Committee.

President 

Treasurer 

Date: 15 July 2022

BROULEE SURFERS SURF LIFE SAVING CLUB  
ANNUAL REPORT 2021-22

**Auditor's Independence Declaration to the Directors of Broulee  
Surfers Surf Life Saving Club Incorporated**

I declare that, to the best of my knowledge and belief, during the year ended 30 April 2022,  
there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

## ANNUAL REPORT 2021-22

### Independent Audit Report to the members of Broulee Surfers Surf Life Saving Club Incorporated (Non-Reporting)

#### Report on the Audit of the Financial Report

##### Qualified Opinion

We have audited the financial report, being a special purpose financial report, of Broulee Surfers Surf Life Saving Club Incorporated (the Entity), which comprises the balance sheet as at 30 April 2022, the income statement and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statements by members of the committee.

In our opinion, subject to the effects of such adjustments, if any, that might have been determined to be necessary had the limitation referred to in the Basis for Qualified Opinion section of this report not existed, the accompanying financial report of the Entity is prepared, in all material respects, in accordance with the accounting policies in Note 1 to the financial statements, including:

- (a) giving a true and fair view of the Entity's financial position as at 30 April 2022 and of its financial performance for the year then ended; and
- (b) complying with the *Associations Incorporation Act (NSW) 2009* and the *Associations Incorporation Regulation (NSW) 2016*, Division 60 of the *Australian Charities and Not for profits Commission Act 2012*, and other accounting policies as per Note 1 to the financial statements.

##### Basis for Qualified Opinion

As is common for organisations of this type, it is not practicable for the association to maintain an effective system of internal control over all income amounts until their initial entry in the accounting records. Accordingly, our audit in relation to income amounts was limited to amounts recorded.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Report on Other Legal and Regulatory Requirements

We report that:

- (a) the financial statements show a true and fair view of the financial result of fundraising appeals conducted during the year;
- (b) the accounting and associated records have been properly kept during the year in accordance with the *Charitable Fundraising Act 1991 (NSW)* and regulations (as amended);
- (c) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991 (NSW)*, and regulations (as amended); and
- (d) at the date of this report, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

#### Information Other than the Financial Report and Auditor's Report

Those charged with governance are responsible for the other information. The other information comprises the information included in the Entity's annual report for the year ended 30 April 2022, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have not received any Other Information as at the date of this audit report and as such have nothing to report in this regard.

## ANNUAL REPORT 2021-22

### Independent Audit Report to the members of Broulee Surfers Surf Life Saving Club Incorporated (Non-Reporting) (Continued)

#### **Responsibilities of Management and Those Charged with Governance for the Financial Report**

Management is responsible for the preparation of the financial report in accordance with the Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2016, Division 60 of the *Australian Charities and Not for profits Commission Act 2012* and the *Charitable Fundraising Act 1991*, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Entity's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## BIOGRAPHIES OF LIFE MEMBERS ELECTED IN 2021

### Rod Shanahan

Rod Shanahan has been involved with the club for much of our history. He has served as club patron for 20 years. He was the club Treasurer for three years from 1998 to 2001 and up until his retirement he undertook the auditing of the club financials, a task which saved the club considerable funds.

Nick Dixon talked Rod into taking on the treasurer's job and he was instrumental in getting the club operating properly financially. He oversaw the implementation of the GST which at the time was a considerable change.

Socially Rod was found down the club on many a Friday night and club functions such as AGMs and presentation nights. Rod has also been a long-term contributor to the Broulee community heavily involved in the development of Rugby Union, particularly juniors through the Broulee Dolphins, Far South Coast Rugby Union and the Wombats.

## ACKNOWLEDGEMENTS

As a registered charity, our Club purpose is:

- To provide a safe aquatic environment
- To educate the community about beach and water safety
- To provide programs which encourage education and skills enhancement, thereby encouraging participation in physical and recreational activities
- To promote inclusiveness and engagement of all members of the community to be involved in Surf Life Saving.

All donations are greatly appreciated and help to keep the Club operating. Where possible, we encourage members to support the following sponsors who support our Club:

Broulee Electrical Services

Capital Brewing

Capital Chemist

DWL Demolitions and Excavations

Eurobodalla Shire Council

Federal Government

Hotondo Homes

P and L Louttit Total Construction Services

IGA Tomakin

Nikias Diamond Builders

NSW Government

The Dock

Tomakin Sports and Social Club

Trusswork Frames and Trusses

SolarHub

We also acknowledge Surf Life Saving Australia National Partners:

And all Surf Life Saving NSW Partners:
