17th

Annual Report

1996

Broulee Surfers Surf Life Saving Club Inc.

Notice is hereby given that the 17th Annual General Meeting of the Broulee Surfers Surf Life Saving Club will be held in the Clubhouse on Sunday, 14th July, 1995 commencing at 1-30pm

AGENDA

1. Welcome to Members and Guests
2. Apologies
3. Confirmation of the Minutes of the 16th Annual General Meeting
4. Business Arising from the Minutes
5. Confirmation of the 16th Annual Report and Balance Sheet
6. Election of Officers for the 1996-97 Season
7. Notice of Motion (of which due Notice has been given)

Moved and endorsed by the Club Committee that Life Membership be conferred on Terry Freeman.

8. Urgent General Business
9. Presentation of Awards gained during the 1995-96 Season

Nick Dixon

Hon. Secretary

Nominations - all nominations for Office for the 1996-97 Season to be in the hands of the Hon. Secretary at least one hour prior to the commencement of the Meeting.

At the conclusion of the Meeting all in attendance are invited to refreshments.

Sixteenth Annual Report & Balance Sheet For Season 1995-96

*To be submitted at the Annual General Meeting of the Club to be held in the Club House, Broulee
on Sunday, 14th July, 1996 at 1.30pm.*

MEMBERSHIP

Club Membership has remained static with a substantial increase in Junior (Nipper) Membership.

The Membership of the Club as at 30th April, 1996 consists of the following categories (with comparative figures for 1994/95)-

	1995	1996
Life Members	1	1
Honorary Members	9	9
Senior Active	58	57
Under 18	10	9
U/16	10	5
Active Reserve	8	8
Long Service	17	12
Award Member	13	13
Country Member	-	3
Associate	28	36
Total	154	153

Ladies and Gentlemen,

Covering the activities of the Club and its Members for the 1995/96 Season, this 17th Annual Report and Balance Sheet is submitted to you for your consideration and adoption at the forthcoming Seventeenth Annual General Meeting of the Club.

The Club is proud to report that, once again, *"No Lives Have Been Lost Whilst Patrols Have Been on Duty"*. The Club extends its appreciation to those members who honoured their Patrol obligations. Unfortunately there were some serious lapses with Patrols and it was the efforts of members performing volunteer Patrols that assisted the Club in its commitment to those using the surf at Broulee.

Some Members seemed unprepared to attend rostered Patrols and potentially leave their Patrol undermanned. Members are reminded that their entry into major competition is dependent upon the number of rostered hours completed each year between January 1st and December 31st. Members who have not met the requirements will not be entered for any major carnivals.

Under the leadership of President Terry Freeman, the Club has progressed well during the year with the following to Report :

Junior Activities Membership is as follows:

Junior Members	27	82
Associate	17	
Total	34	82

Grand Total Club Membership: 186 235

FINANCE

Club finances which are in a satisfactory position, the overdraft with the Commonwealth Bank, Moruya negotiated near the end of last Season to complete new facilities in the Clubhouse has been paid back. The Club has financial commitments to meet with improvements to facilities downstairs and with bringing the Club up to fire safety standards.

Secretary's Report Continued...

We are grateful to the Department of Sport and Recreation for a grant of \$5 000 on a \$ for \$ basis to assist with Meeting the costs associated with this project for a further \$ for \$ Grant of \$1 875 for the refurbishment of our Zodiac IRB and the purchase of a new engine.

The Bar Facilities, reported on last year have been a welcome source of finance to meet the day by day running costs of the Club. These facilities will not solve the financial problems of the Club nor will they do any more than they have over the past year unless more and varied use of the facilities are made by the Club and its members.

Many thanks to our Treasurer Kerri Hall who assumed these duties in the early part of the Season.

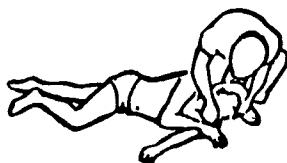

NEW FACILITIES

A complete refurbishment of the downstairs section of the Clubhouse is currently underway. The showers have been converted into cubicle style units, the coolroom and other plant is now contained in a separate room and provision is being made for a Club Common Room and a new members' kitchen. These facilities will hopefully be completed in the very near future.

The running of the bar has been responsibility of our House Captain, John Hall who has done an excellent job over the entire year.

SLSA AWARDS

A total of 18 Association Awards were gained by the Club during the year. Congratulations to those successful candidates and many thanks to our Chief Instructor, John Gale.

COMPETITION

The Club finished fourth in the Jack Beale Carnival Point Score last season. Carnival attendance by our Members was generally poor but nevertheless some excellent performances were registered by our competitors. Lisa Hayward and Greer Dixon were voted 'Person of the Carnival' Awards for their performances at the Moruya and Narooma Carnivals respectively.

MAJOR CHAMPIONSHIPS

NSW Country Branches: Warilla-Barrack Point (South Coast Branch)

- 1st - Under 18 Ladies Beach Sprint
Greer Dixon
- 2nd - Open Boat Race
Gavin Hunt, Gordon Marcks, Ben Geier,
Mick Ginman, Matt Hunt
- 3rd - Open Ladies Beach Sprint
Greer Dixon
- 3rd - Under 18 Ladies Beach Flags
Greer Dixon
- 5th - Reserve Boat Race
Jason Bunney, Ian Quirk, John Pendrick,
Peter Cook, Stephen Heffernan

NSW State: South Maroubra (Sydney Branch)

- 5th - Under 18 Ladies Beach Sprint
Greer Dixon
- 4th - Semi-Final Open Boat
Bert Hunt, Gordon Marcks, Ben Geier,
Mick Ginman, Gavin Hunt

Secretary's Report Continued...

Australian Championships: Kurrawa (Queensland)

A team of some 18 Members made their way in groups to Kurrawa on the Gold Coast for the Australian Championships which were held on the weekend of 7-9th April. The team consisted of three boat crews and Greer Dixon, our only beach competitor.

Huge surf conditions were the conditions which faced competitors and the Carnival Organisers were faced with finding alternate venues to no avail.

Our boat crews competed as follows -

- **Reserve Crew** - eliminated in Round 1.

Jason Bunney (Sweep)
Peter Cook
Ian Quirk
John Pendrick
Simon Wilson

- **Open Crew 'A'** - eliminated in Round 3

Jason Bunney (Sweep)
Steve Clayton
Nick Ziviani
Steven Bunney
Stephen Heffernan

- **Open Crew 'B'** - eliminated in Round 1

Bert Hunt (Sweep)
Gordon Marcks
Ben Geier
Mick Ginman
Gavin Hunt

Our only finalist was Greer Dixon who showed fine form in the Under 18 Ladies Beach Sprint with a very creditable 5th in the Final for the second year in a row.

CONCLUSION

The 1995/96 Season is another milestone in the development of our Club. With the Clubhouse almost completed all that is needed is for our

Members to utilise the facilities available in all fields - lifesaving, social, competition and recreation.

Many thanks to all those who played their part in 1995/96 and good luck in the forthcoming year.

Nick Dixon
Hon. Secretary

≡ Club Captain's Report ≡ ≡ IRB Captain's Report ≡

It is difficult for me to write a true report on the Season. Although it started with good intentions, my work commitments soon took over as many members can no doubt relate to. I can report that it was a good season for surf with great waves to be had throughout the summer as soon as the jellyfish dispersed.

Well done to all those who did achieve personal goals through the competitive season. Although one must remember that there are two sides to Surf Life Saving, the competitive side which is so often glorified by the media and the more important side which is so often forgotten by members - that being patrols.

The Club activities for the Season were kept alive by a handful of members - you know who you are! Especially thank you to Greer Dixon (Vice Captain) for your support and service to the Club at all levels.

Todd Hayward
Club Captain

Another Season draws to a close & the IRBs this Season have had the usual hours of use on Patrols and with the Nippers on Sunday mornings.

Both motors are in new condition with about twenty hours on each motor. The Achilles IRB is clean and in storage for the winter. The Zodiac IRB has been serviced in Sydney and is in reasonable condition.

During Patrol use and training, drivers should make sure all pre-checks are carried out (the Log Book a must) so that services to the motors are carried out on schedule. The motors should be run and flushed and the IRB hosed out after use.

Drivers should keep a distance of 18M (50ft) from the flagged areas at all times unless in a rescue situation.

Thanks to everyone throughout the year.

Peter McKay
IRB Captain

Boat Captain's Report

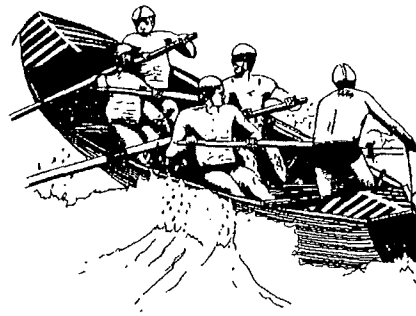

Well, another year, another blister. It was a season of highs and lows, including some tremendous results and some, not so tremendous.

The Season started for most with the Broulee to Bridge Marathon with the newly appointed Boat Captain having immediately to prove his worth after "Bloody Mick" misplaced the rowlocks (in my garage). A replacement set was quickly located and the race begun. The result was a favourable one with Broulee "George" 1st and Broulee "Bert" 2nd. But the real lesson learnt from that day was not to trust Gordon if he asks you about your pain tolerance, just ask Stephen Bunney.

From there, the next major event was the Country Championships at Warilla, with yours truly making his sweeping debut, sorry about that, Batemans Bay (and Mick).

After some dubious decisions during the qualifying rounds and some equally evasive action by Team Manager, Nick Dixon in getting around the dubious decisions, a creditable 2nd place was gained in the Open (another silver medal for Gordon's collection) being defeated by the narrowest of margins. The Reserves did well to reach the final and were unlucky not to gain a medal.

From there to the Branch Championships at Broulee, where large seas greeted all comers. It was a true measure of the depth that our Club is building in the boat arena to see the results of 1st and 2nd in both the Open and Reserve events, with the 'Bunney' boys claiming the day with solid performances in both divisions to claim the honours.

The business end of the Season began with the State Titles held at Maroubra Beach. The 'Bunney' boys did not show the form that they were capable of and bowed out of contention in the qualifying rounds, whilst Broulee 'Bert' forged their way through to the semi-finals and were unlucky not to go further, proving that we could match the pace with the highly fancied Sydney crews.

Finally, the long voyage was undertaken to Kurrawa on the Gold Coast for the Australian Titles. After long drives and flights no-one was prepared for the tragic weekend that was about to unfold. All were greeted by huge seas. The first day of competition was shifted from one beach to another and so on before being postponed. Saturday came and a cut-throat day of competition with many casualties. The Reserve crew looked as if they had made it out but the waves had other plans. Broulee 'Bert' followed closely in the Open, challenging the ocean and coming off second best. After being hit by several waves, the stern of the boat decided it didn't want to any further part and so left the crew to fend for themselves. It really was a long swim home. Broulee 'George' fared much better and full credit goes to them for a great achievement in reaching the quarter-finals in such trying and testing conditions. Congratulations to Jason and the boys. What did the cans look like?

Boat Captain's Report Continued ...

Congratulations to Greer Dixon for her 5th placing in the final of the Under 18 Beach Sprint, a tremendous result and a just reward for all of the hard work she put in.

On Sunday afternoon a number of us were on hand to witness the unfortunate incident which resulted in the death of Robert Gatenby whilst competing in the Under 18 Boat Final in Kurrawa's crew. The thoughts of all Broulee members go out to his family and friends following this unfortunate event. It was a tragic incident and one I'm sure we all wished had never happened, but let's not lose sight of the fact that it was just that, a tragic and unfortunate incident. Fingers don't need to be pointed or scape-goats looked for to be blamed. Robert was doing something which we all love otherwise we wouldn't be doing it. If people didn't want to compete, they weren't forced to.

Thanks must go out to all those who put in the long hours training and travelling. Thanks to the Club for assistance in getting the boats to the Australian Titles and to Matt Shonk for towing our boat up (next time remember the receipts, Shonky) and finally to Ben Geier just for being Ben Geier - without his grunting the Season would have been much less enjoyable.

Gavin Hunt
Boat Captain

Broulee Summer- 1995/96

== First Aid Report ==

The First Aid and Patrol Officers experienced a very busy and successful 1995-96 Surf Life Saving Season. If the Season is to be remembered for one thing it must be the abundance of jellyfish and marine stingers. Unfortunately those who ventured into the briny during the week over Christmas found the water to be much less than inviting.

A total of sixty five cases of marine stings were recorded as requiring treatment over the Season. Thirty of these cases were on Boxing Day alone. The patrol officers who were on duty during the worst '*stinger days*' certainly gained plenty of experience in treating large numbers of people, some with severe marine stings.

Seventeen cases were documented in the Club Log Book as requiring minor first aid. Many of these cases were due to cuts and abrasions. Unfortunately one major case of first aid occurred this season. The patient required ambulance transfer to hospital for treatment and admission. I am happy to report that this resulted in a successful outcome and an uncomplicated recovery.

With renovations to the upstairs sections of the Clubhouse almost complete, the work focus has shifted downstairs. External doors and access from the beach to the First Aid Room have already been greatly improved. In the planning for renovations downstairs, some additional space may be gained for the First Aid Room. With all going to plan, improvements to the treatment area and facilities could be completed and ready for the 1996-97 Season.

Thank-you to all Club Members, Committee Members and supporters for your work and assistance with First Aid this Season.

Kim Griffiths
First Aid Officer

Gear Steward's Report

Club Equipment

Flags - Beach Patrol: Two, condition good, faded slightly, may need replacement during 1996/97 season.

Patrol Area - good condition.

Rescue Tubes - Five, condition good; two red tubes, condition fair.

Beach Signs - 'Bathe Between the Flags', 'Area Closed (Competition)', 'Board & Wave Ski Area', 2 x 'Do the Right Thing'.

These signs are not being utilised to their advisory capacity - let's get with it members - communication is the word for 1996/97.

Paddles - one Danish style blades and two others I'd rather not talk about.

Skis - six, two Burtons, two Pratts, one I donated as a learning ski and one Jeffreys.

Boards - Malibu Racing Boards, three; Rescue Boards, two, plus two new rescue boards being held in reserve and additionally Emerald rescue board revamped.

Nipper Boards - 8 foam/glass; 5 SLSA coolite.

Members - it's imperative that when a board / ski (and this includes Nipper gear) is damaged it is reported immediately and taken out of service for repairs. The longer damaged equipment is subjected to use, the more damage is done. The equipment takes on weight, in the case of boards, the foam becomes saturated, the glass lifts and a bubbling effect becomes prominent, altering the shape of the running surface of the board resulting in the board becoming useless for competition/rescue (slower in the water).

Skis, there is a similar result, whilst there's very little loss of shape, it's the weight of the craft that increases. The craft can be drained and dries out but there is still salt deposits inside the ski. Humidity moistens these salt deposits and when the bung is removed, damage occurs.

The 1995/96 Season saw a slight improvement in the 'ding' department, which was very pleasing and whilst I'm not intending to retire - yet - I don't want to be working like a one armed paper hanger!

Best wishes for the coming Season, 1996/97.

Les Byrnes
Gear Steward

House Captain's Report

The Club has been travelling very good this year due to the bar generating funds for the Club and equipment. The kitchen is still yet to be fitted out, but this is very close to being done. Also downstairs at the Clubhouse will be finished by the AGM allowing Members to stay downstairs which will consist of private showers, kitchen and living area.

Bookings for the Club have been down this year which maybe is due to noise complaints and vicious rumours (which have been unsubstantiated) spread by certain people in the community but fortunately have not affected the Club financially or socially and hopefully will not in the future. There are some people who seem to forget that this is a surf life saving club committed to saving lives on the beach and in the sea and all the money raised by this Club goes into that commitment which in turn goes back into the Community in the way of dedicated work by all members of the Club who are volunteers serving their Community.

Anybody who is interested in seeing what the funds have been spent from the bar proceeds are welcome to come and see the upgrade of the Club and equipment by way of upgrading the walkway to the beach, Fire Protection to the Council's Specifications, Clubroom, Showers, IRB Motor, IRB Repairs and other equipment. I would like to thank all Office Bearers, Members and Volunteers who made it possible to prosper in the upgrading of the Club's image. A special thanks to the Club Caretaker, Nev Holloway who has worked very hard for the Club. So let's keep working towards bigger and better things to show the knockers that we are dedicated to the Community and saving lives and not school yard gossip.

Thank you to everyone who has been involved this year and let's do an even better job next year. See you at the bar.

John Hall
House Captain

Chief Instructor's Report

This Season was a difficult one for instruction due mainly to the weather conditions. We hardly had a summer and when we did the water was full of stingers, but we managed.

The number of people wanting instruction was low with Bronze Medallions and Surf Life Saving Certificates being awarded.

Next Season there will be a "Train-the-Trainer Course" for those people wishing to become Training Officers. Committee will advise on place, date and time and we hope to have a good attendance at this.

Thanks to all.

John Gale
Chief Instructor

Eurobodalla Paper Chasers

As a fund raiser Broulee Surfers S.L.S.C. is one of four other community clubs that make up this Paper recycling organisation.

Despite Two fires which destroyed tens of tonnes of paper and two of the organisations presses (thus preventing compact storage and hence paper was trashed for many weeks) income earned by the club this last financial year is \$1,950.

Every 5 weeks the club was rostered for crushing and baling of the deposited materials. It involved regular weekly pickups of paper and cardboard, (THANKS GREG & ALAN).

Thanks goes to the regular crews who man the press and load the truck.

Well done the workers.

Terry Freeman
Club Representative

Junior Activities Report

Season 1995/96 was the first full Season for the young Nippers and we had a great response with around 85 boys and girls being registered. The Nippers began the Season improving their swimming at the Moruya Pool for a few weeks. They then moved to the beach where they learned not only swimming and beach events but were taught safety and some first aid.

The Nippers competed at three Branch Carnivals for the Season where they did exceptionally well against kids with a lot more experience. The parents also enjoyed these Carnivals particularly those who stayed overnight at Tathra for that Carnival.

Thanks must go to many people who were responsible for the smooth running of the Nippers:

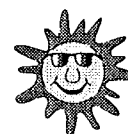

- John Shiels, Mick Lambert, Leigh Louttit, Steve Spicer, Jeff Prow and Peter Halpin who were Group Leaders and did a fine job keeping the activities interesting and fun whilst teaching the lifesaving skills
- Jane Hicks for her work as Registrar
- Mick Lambert for his work as Secretary
- Julie Shiels and Penny Lloyd for their work in organising uniforms
- Zorana Grbic and Herman Posthuma (Rolls Choice) for their kind donations of T-Shirts
- Bob Balcomb (Bay Decor) for the caps donated for the end of Season B-B-Q
- Bob Tye, Noel Brooks and Graham Campbell who provided water safety and other encouragement during water events
- Peter McKay of East Coast Mufflers for work in providing a March Past Reel
- Peter & Leigh Louttit for the Club flag
- Les Byrnes for his work in repairing boards
- All the parents who came along and helped with the B-B-Q's, transporting the gear and the kids

- Moruya Country Markets, Moruya Apex and Moruya Lions for donations which will be used to buy two new Nipper boards for next Season

In conclusion the Season was an excellent start for the Broulee Nippers and we should be able to build on this to establish a strong Junior Club. We look forward in the future to these Nippers patrolling and competing for the Senior Club.

TOK Carpentry & Partitioning	300 00

Thanks and Appreciation

- **Eurobodalla Shire Council** - for recognition of our service to the Community by the award of a subsidy of \$2,300
- **Hon. Auditors - Keary, Flynn and Bannon (Brian Hingston)** - for completion of the Annual Audit of the Club Accounts and for advice and assistance given
- **Batemans Bay Engineering (Peter McKay)** - for assistance with IRB maintenance and manufacture of Nippers March Past Reel
- **Department of Sport and Recreation** for the provision of a grant of \$ for repairs to the Club Zodiac IRB and for the purchase of a new engine and for a capital assistance grant of \$5 000 for the upgrading of the Clubhouse to meet fire safety standards
- **Russell Smith MP** for assistance with the submission of the Capital Assistance Grant
- **Christine May (Community Health) and Kim Griffiths (First Aid Officer)** for the development of a Sun Safety Policy for the Club
- **Penny Lloyd** for the administration of the 'Broulee Boutique' for the past years
- **Nev Holloway (Hon. Resident Member)** for his work in and around the Clubhouse
- **Eurobodalla Paper Chasers** - for continuing to organise the recycling of waste paper in Moruya, a project which has benefited this Club financially and to those members who assisted. Special appreciation is again extended to Alan Smith and Greg Holmes

President's Addendum

S.L.S.C.

As your Surf Club grows, ages and matures it supports an ever increasing and diverse membership. The club benefits from the variety, enthusiasm and experiences of this membership.

The committee, selected by you that manages and administers the club brings many skills from this wide source of membership. Their expertise and efforts have resulted in a very profitable year.

Congratulations to all and thanks. When each person does their job well the whole organisation runs smoothly.

In last years Annual Report I spoke of the necessity for reliable funding structures to provide members with the equipment and facilities they need. Club house improvements and bar services has seen the greater community use and enjoyment ever increasing. This in turn has provided the income to fund the club.

Thanks John and Nick, without your efforts (and your band of regular co-opted helpers) it would not be possible.

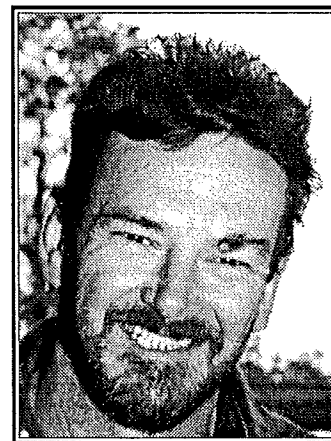

Successful applications by the Secretary for grants, Capital Assistance and Dollar for Dollar, further add to our club assets, (as does the care of our caretaker).

I have been a member of this club for the past 13 years and a committee member for 12 of those. I would like to give the opportunity to those newer members who are a part of recent developments in the club's activities to become part of the committee and/or to elect someone from within their midst.

For this reason I'm taking a break from committee activities and not standing for re-election next season.

Finally, a special thanks to those people who have supported me and the directions I saw as important for the club to take over the past decade.

*Yours in Vigilance and Service,
Terry Freeman
Club President*
